Spreading Surgical Pre-habilitation (SPOC)

Poll results

Table of contents

- Are you...
- In ONE word, what does Innovation mean to you?
- Rate the innovative ideas for spreading SPOC

Are you...

0 2 8

Already involved with SPOC

Want to expand SPOC at your site

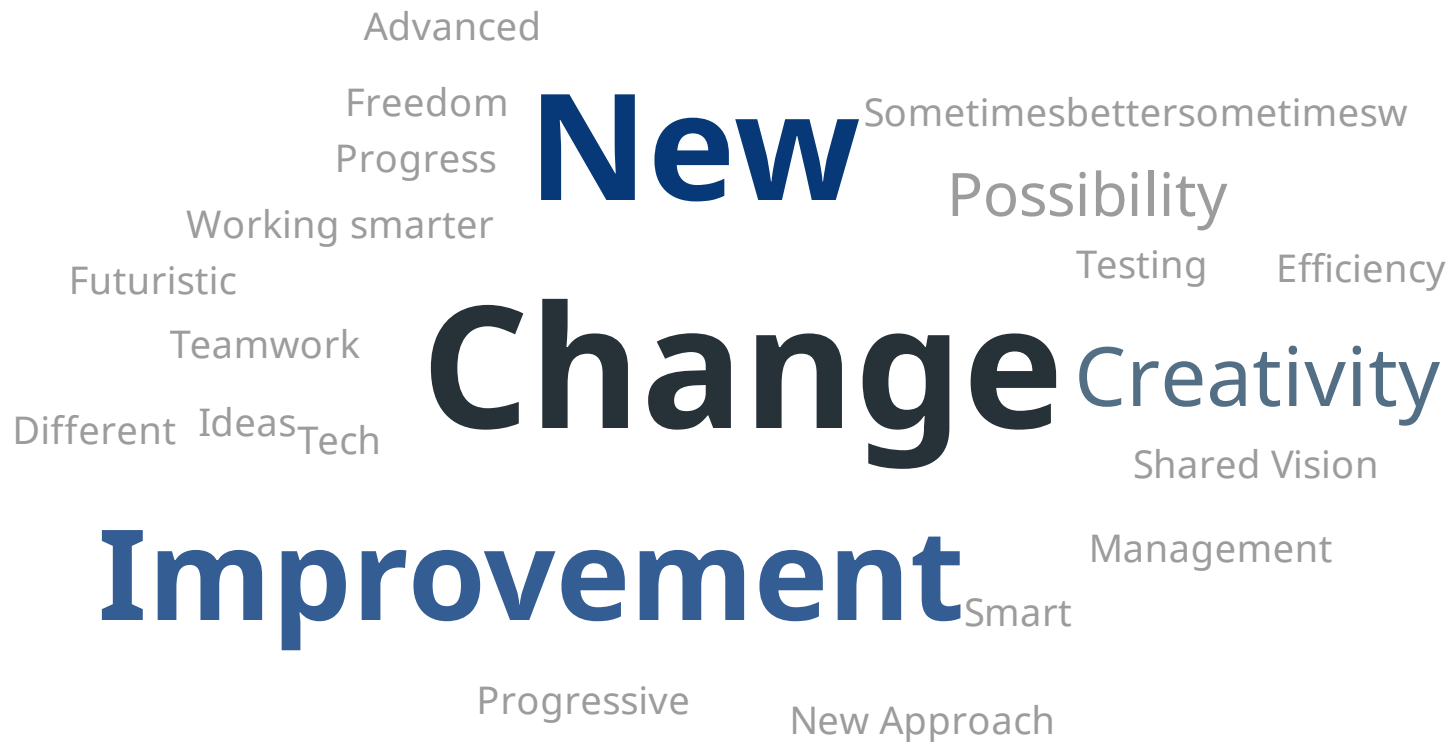

Want to initiate optimization at your site

In **ONE** word, what does Innovation mean to you?

0 3 3

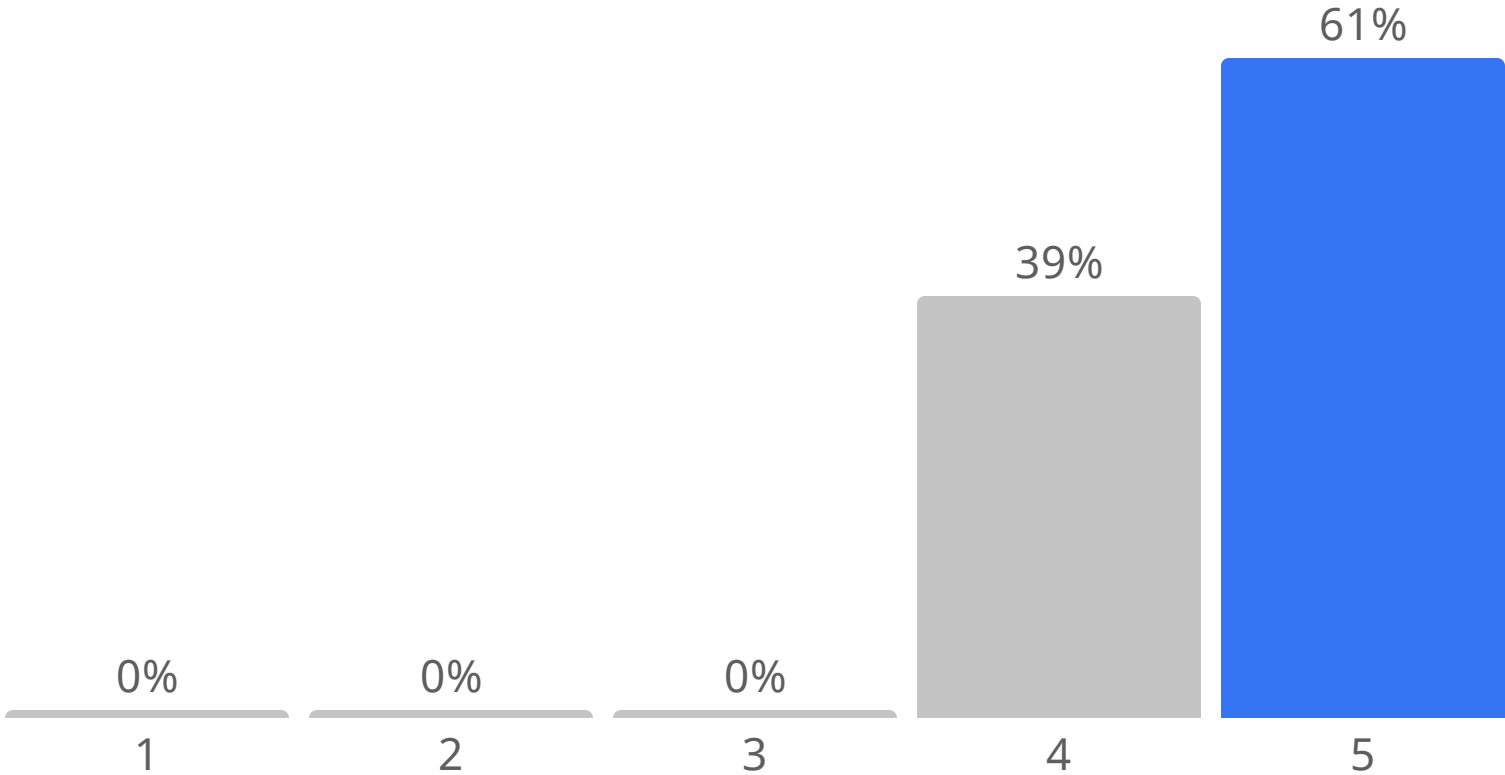

Rate the innovative ideas for spreading SPOC (1/14)

0 3 1

Spread the message that prehab is necessary

Score: 4.6

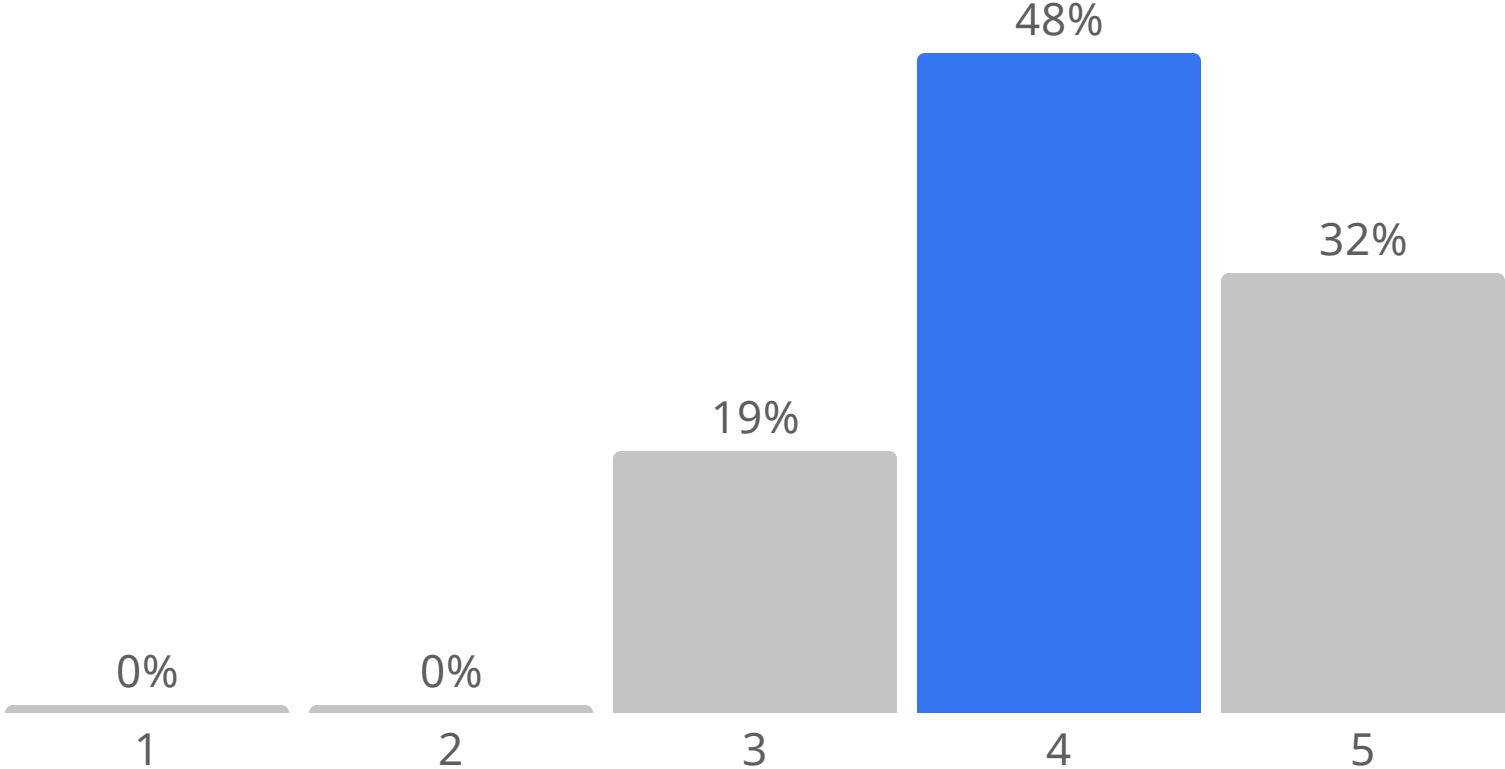

Rate the innovative ideas for spreading SPOC (2/14)

0 3 1

Get everyone on same page with shared vision

Score: 4.1

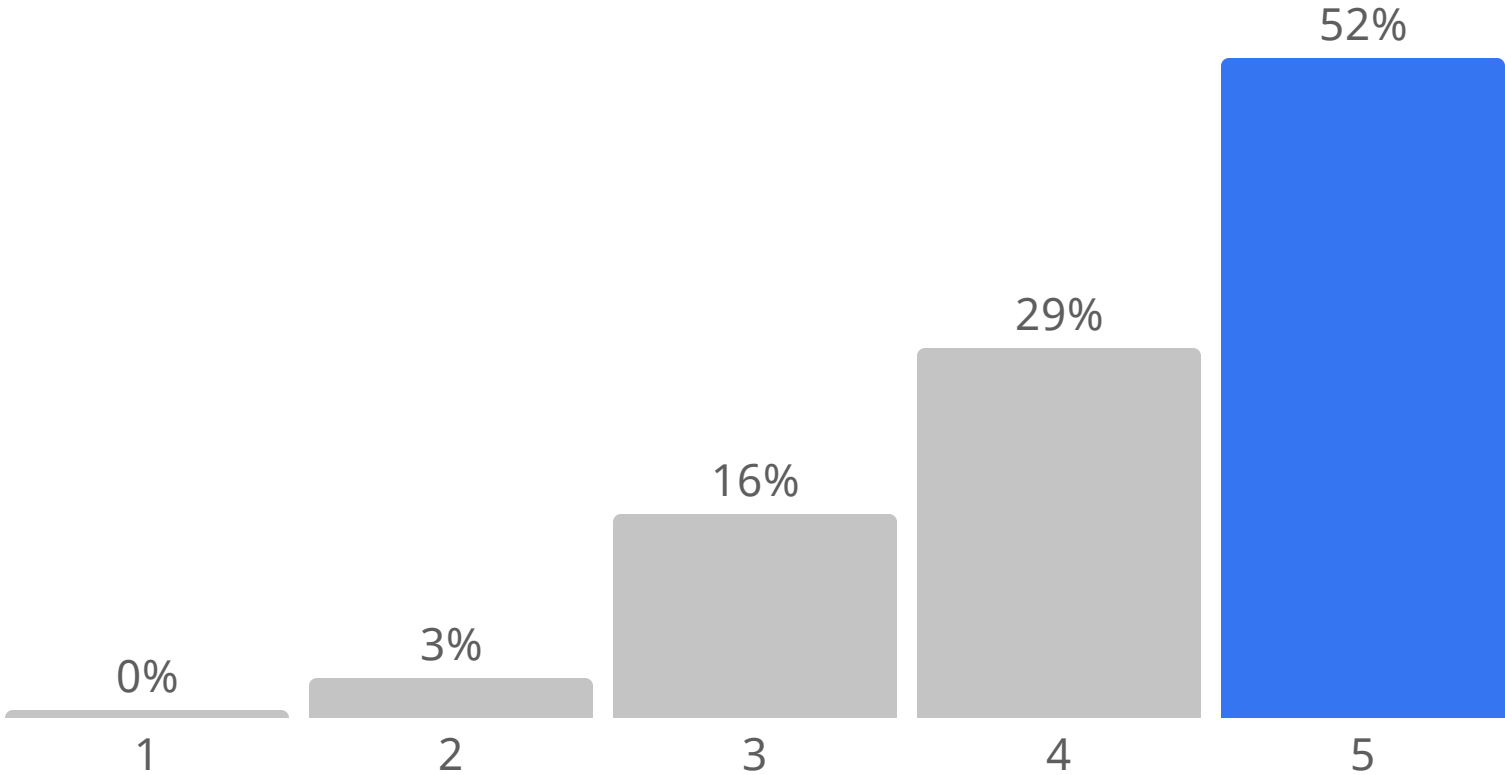

Rate the innovative ideas for spreading SPOC (3/14)

0 3 1

Centralized screening and referral (and funding)

Score: 4.3

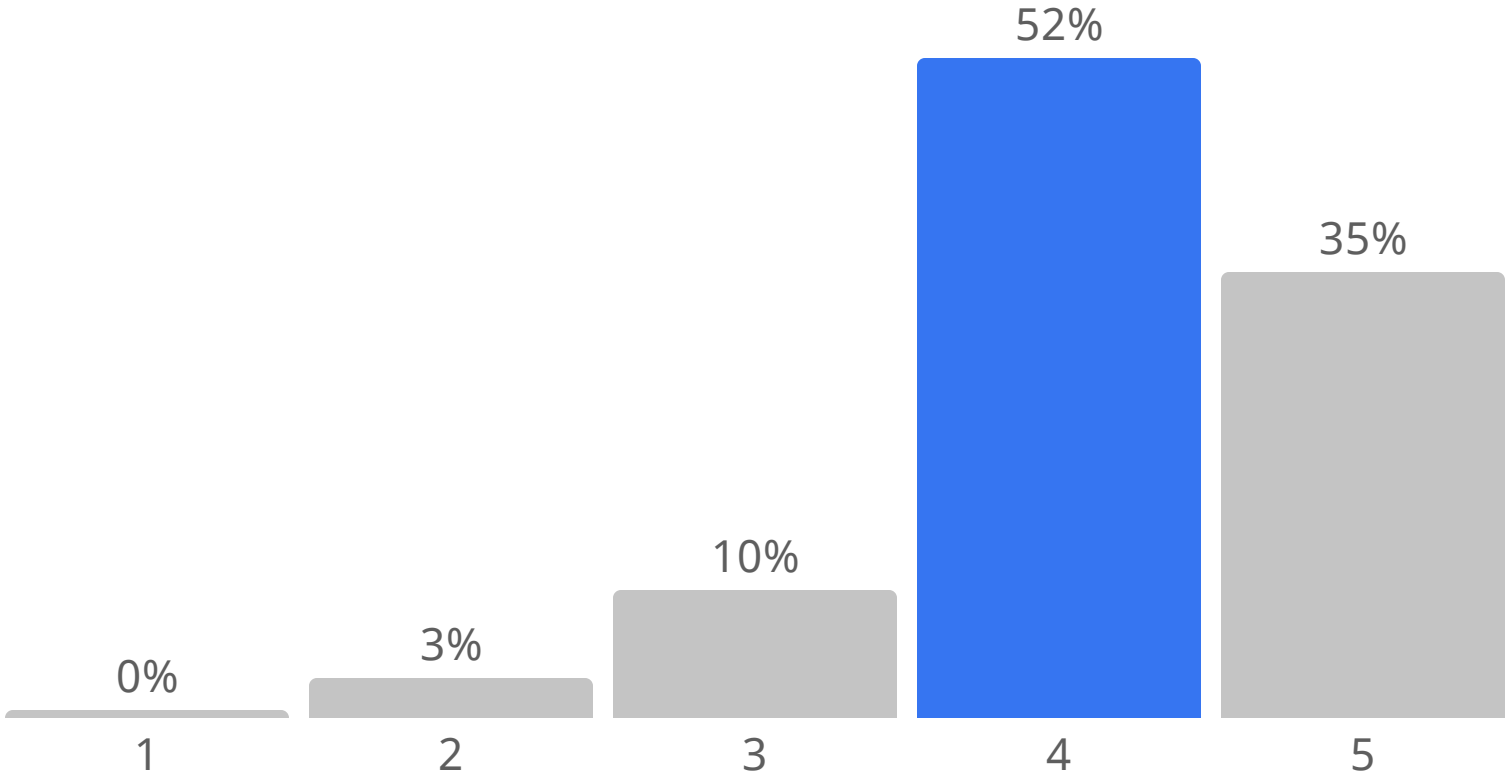

Rate the innovative ideas for spreading SPOC (4/14)

0 3 1

Create and share pride for patient prehab

Score: 4.2

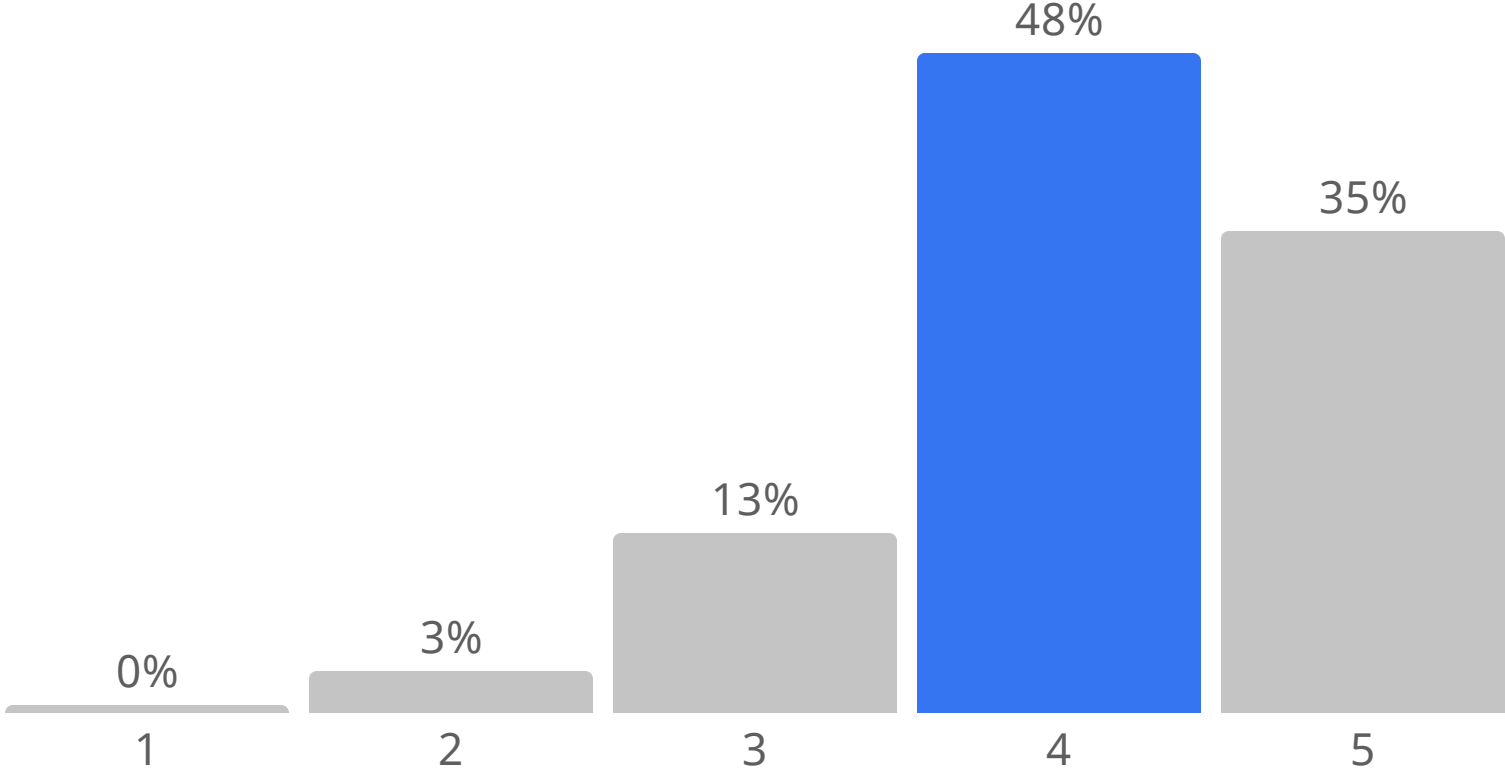

Rate the innovative ideas for spreading SPOC (5/14)

0 3 1

Data driven prioritization

Score: 4.2

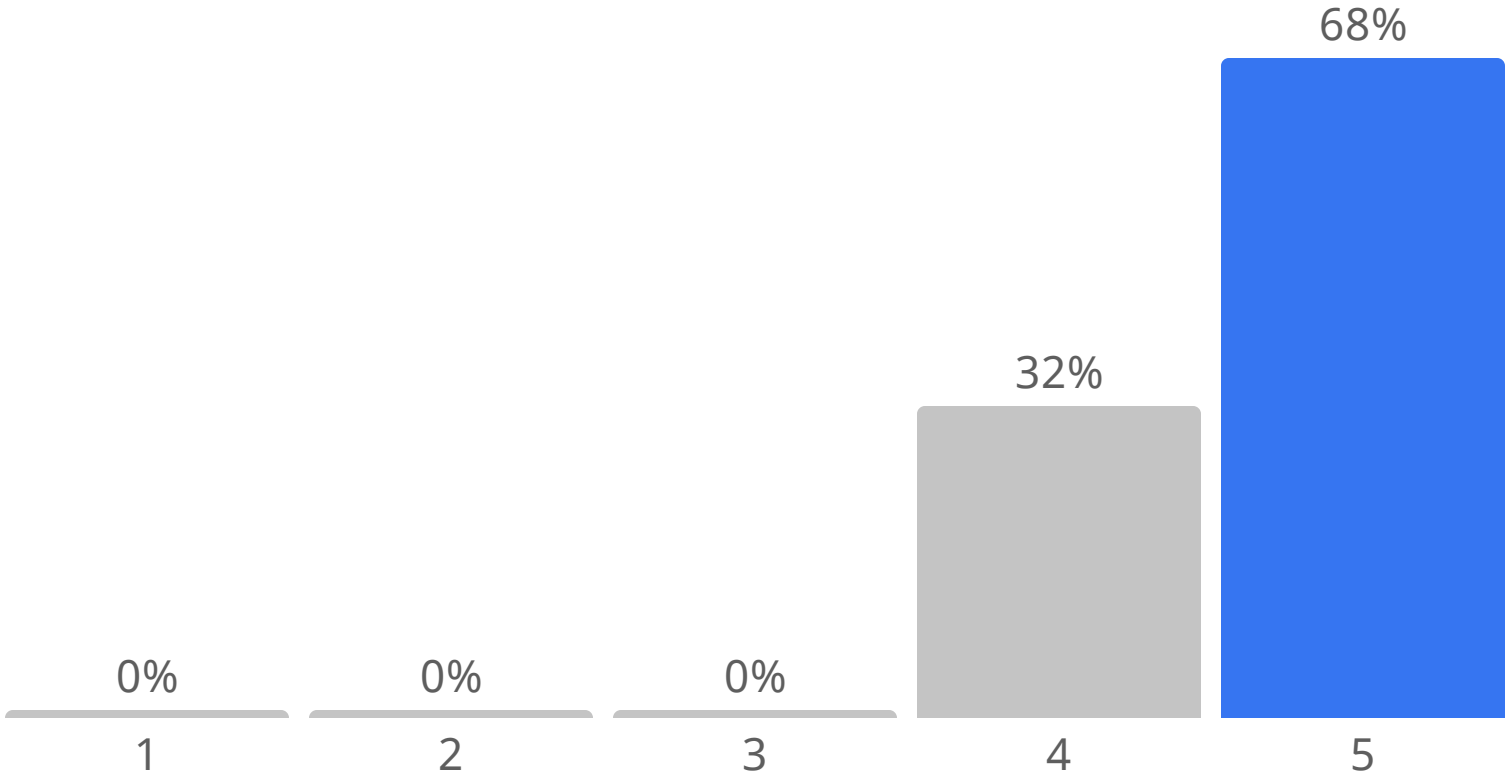

Rate the innovative ideas for spreading SPOC (6/14)

0 3 1

Centralized patient information hub

Score: 4.7

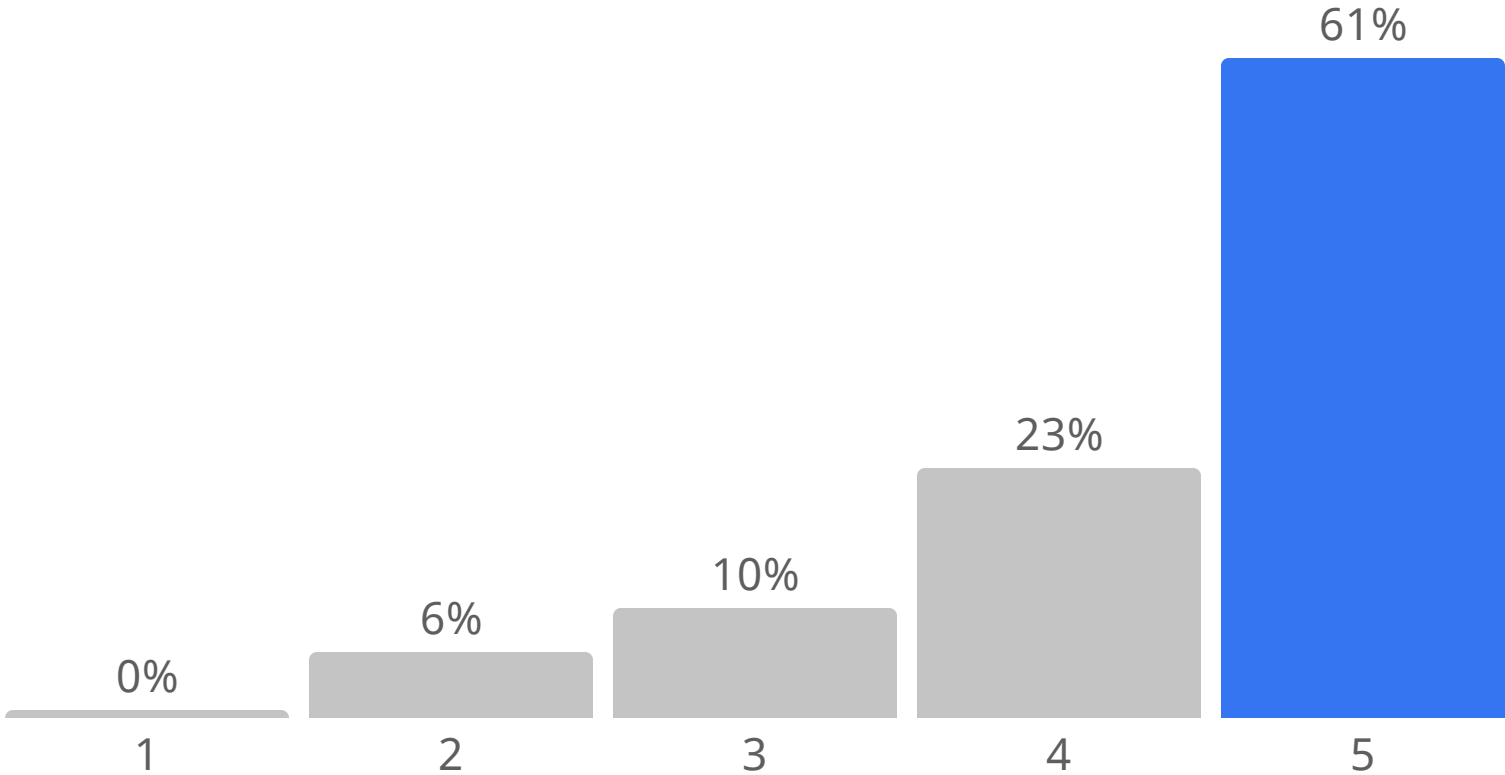

Rate the innovative ideas for spreading SPOC (7/14)

0 3 1

A centralized provider or clinic (one stop shop)

Score: 4.4

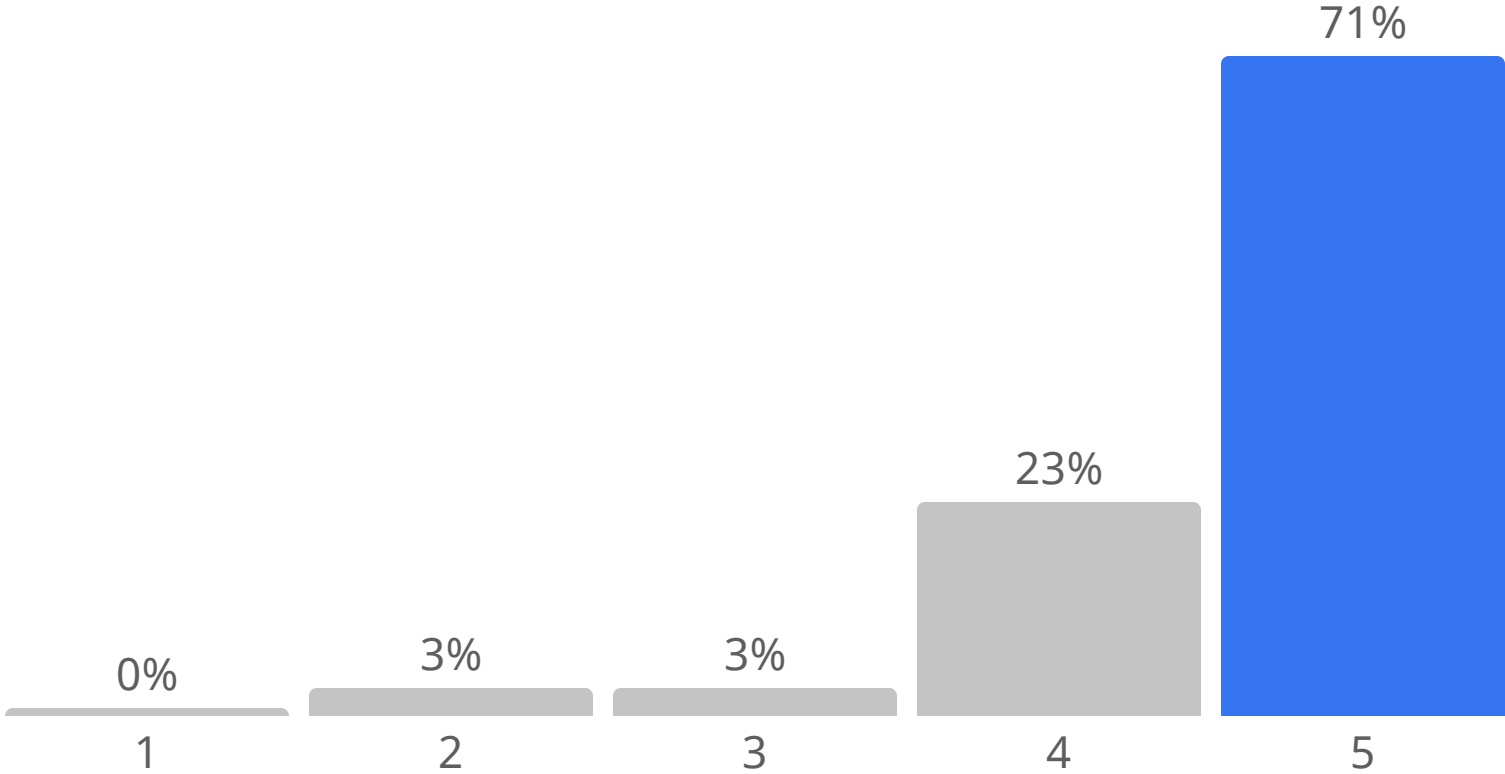

Rate the innovative ideas for spreading SPOC (8/14)

0 3 1

Patient engagement / empowerment through resources

Score: 4.6

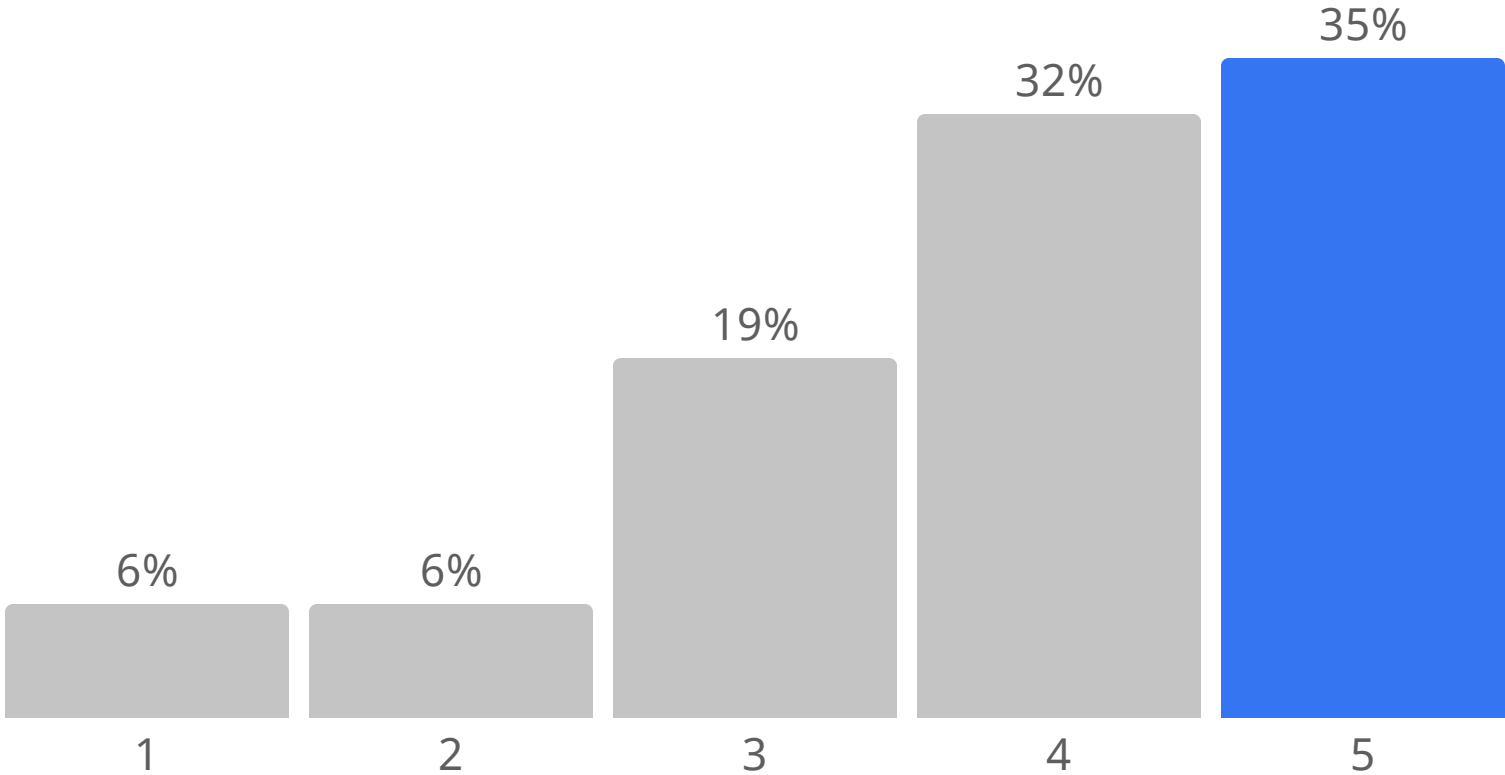

Rate the innovative ideas for spreading SPOC (9/14)

0 3 1

Patient incentivization: No SPOC No SPOT

Score: 3.8

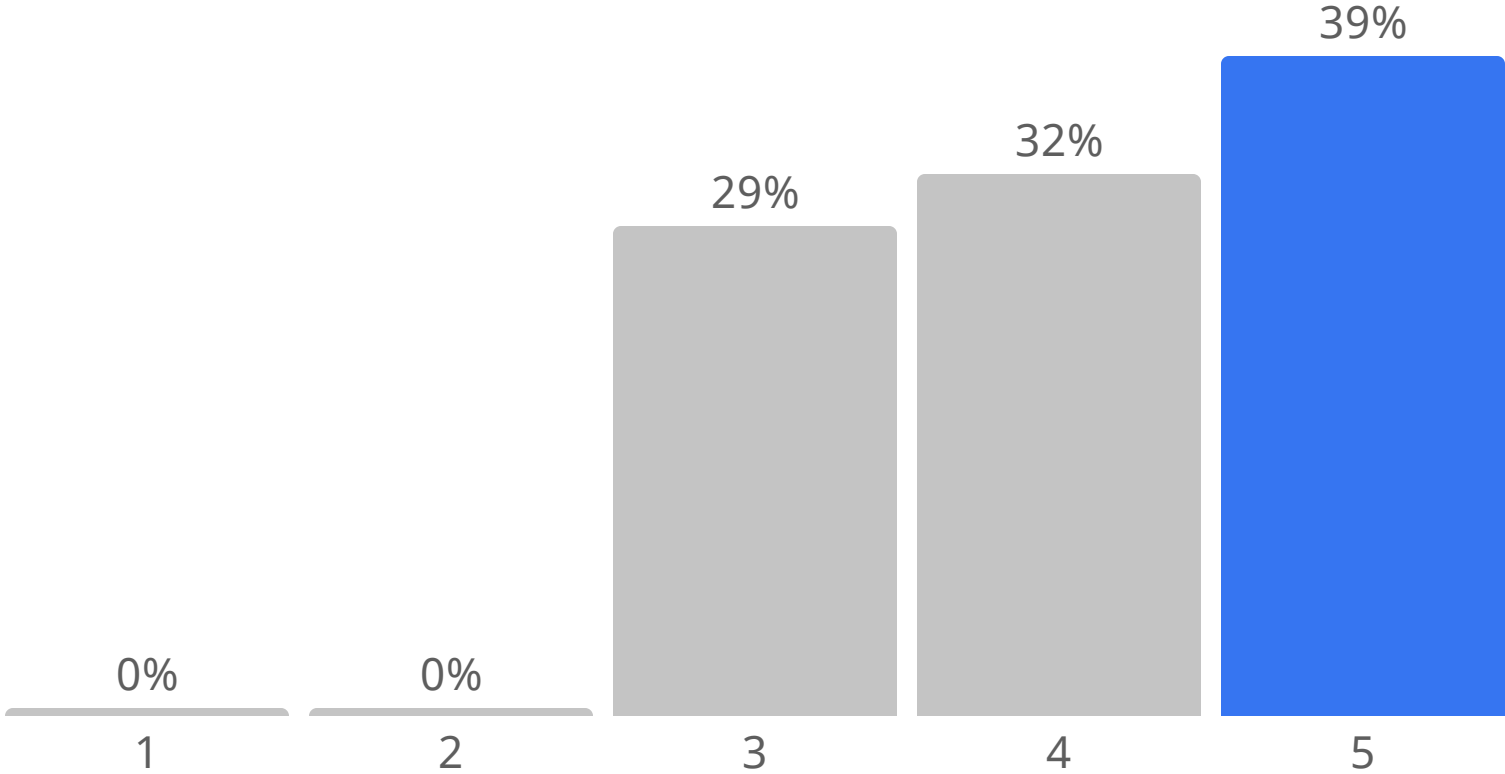

Rate the innovative ideas for spreading SPOC (10/14)

0 3 1

Involving geriatricians to prehab and provide care

Score: 4.1

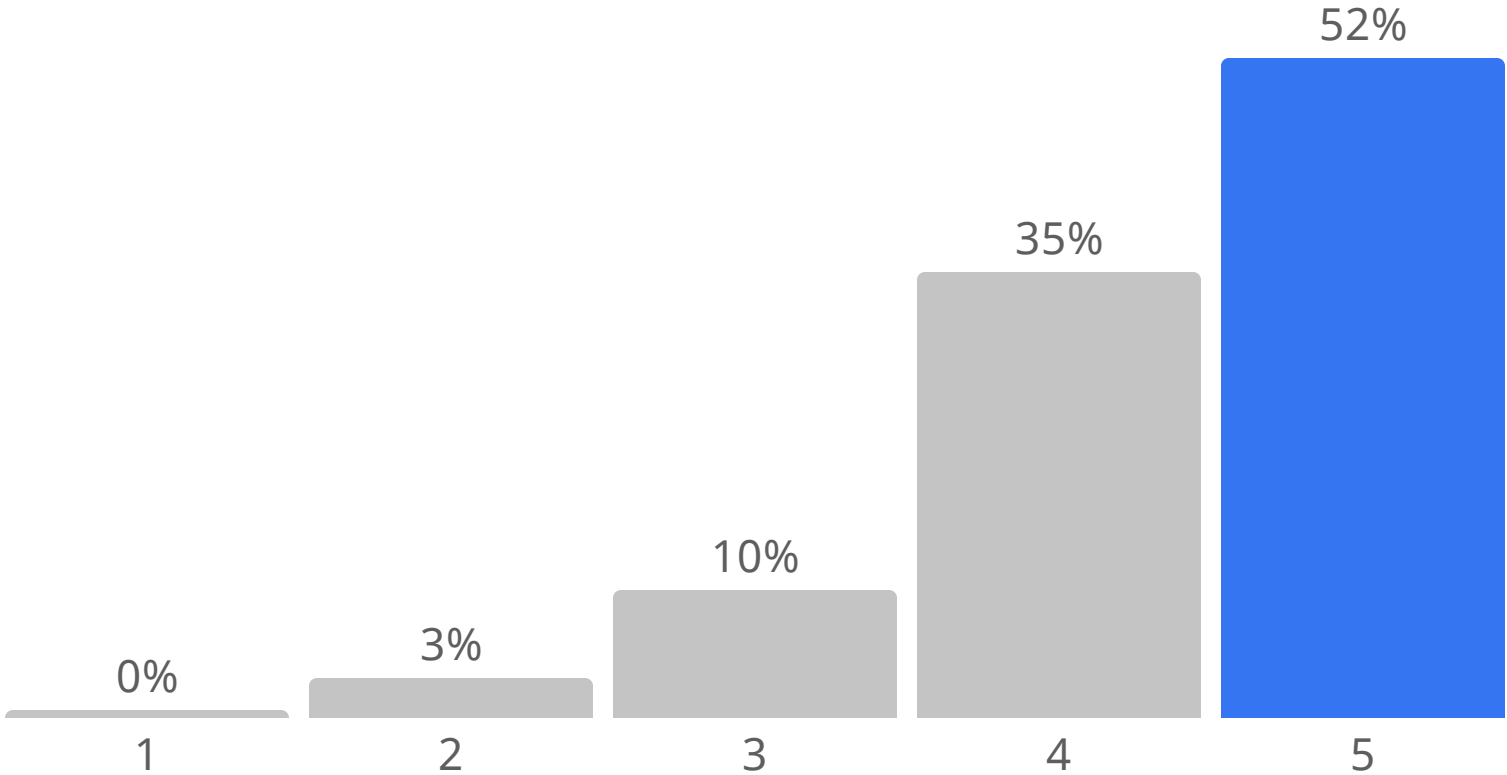

Rate the innovative ideas for spreading SPOC (11/14)

0 3 1

Identify core competencies for nurse navigators

Score: 4.4

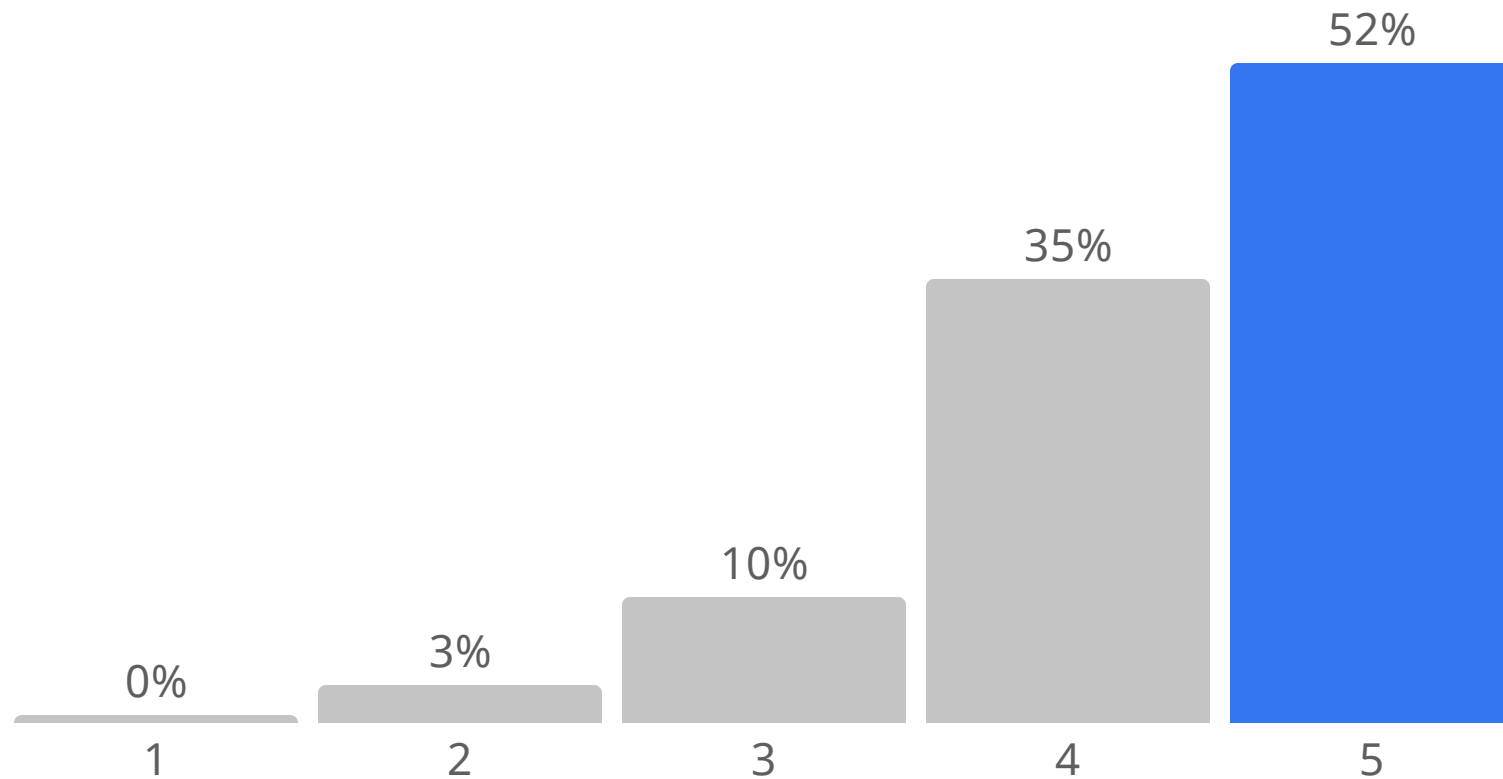

Rate the innovative ideas for spreading SPOC (12/14)

0 3 1

Support teams with business case development to secure funding

Score: 4.4

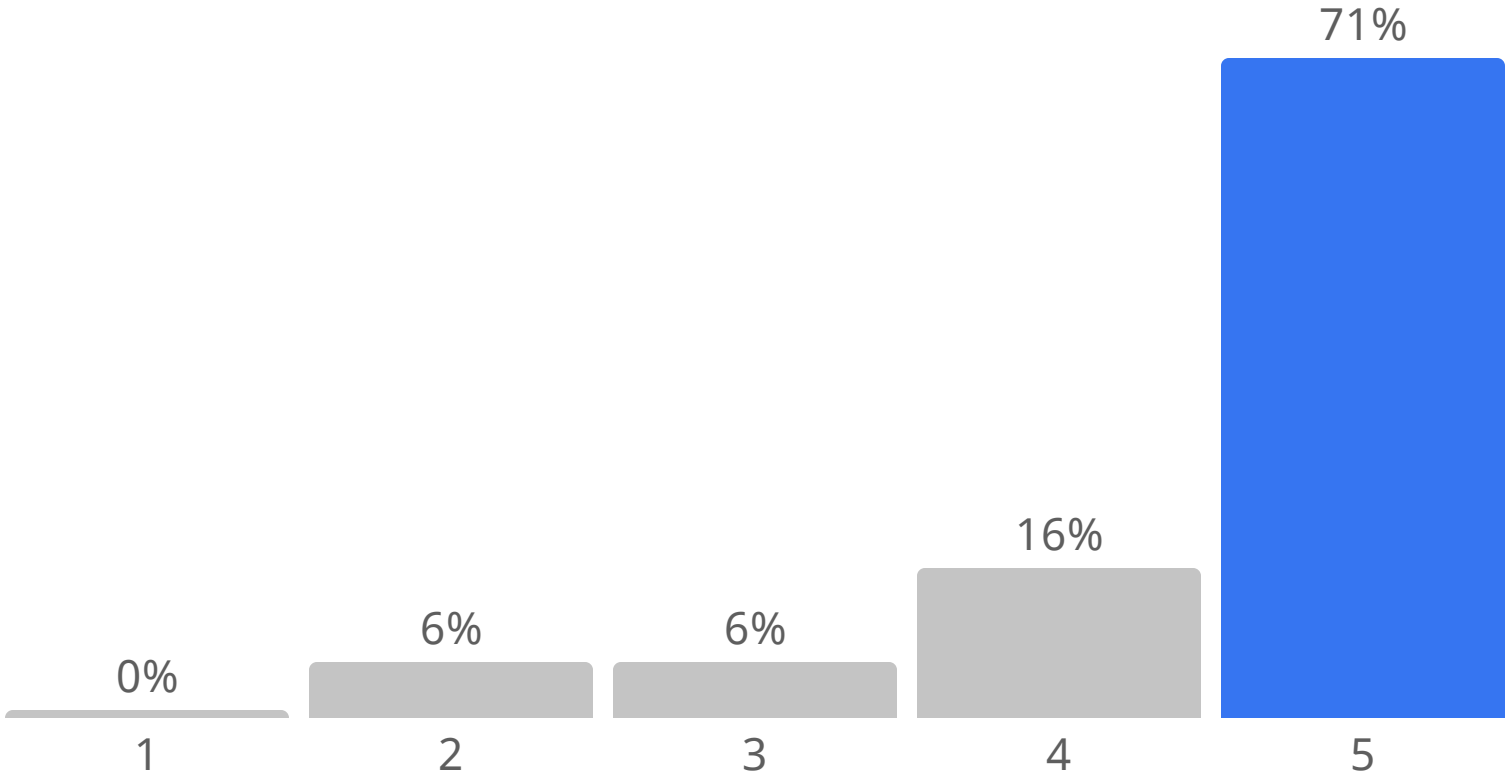

Rate the innovative ideas for spreading SPOC (13/14)

0 3 1

Secure transitional funding

Score: 4.5

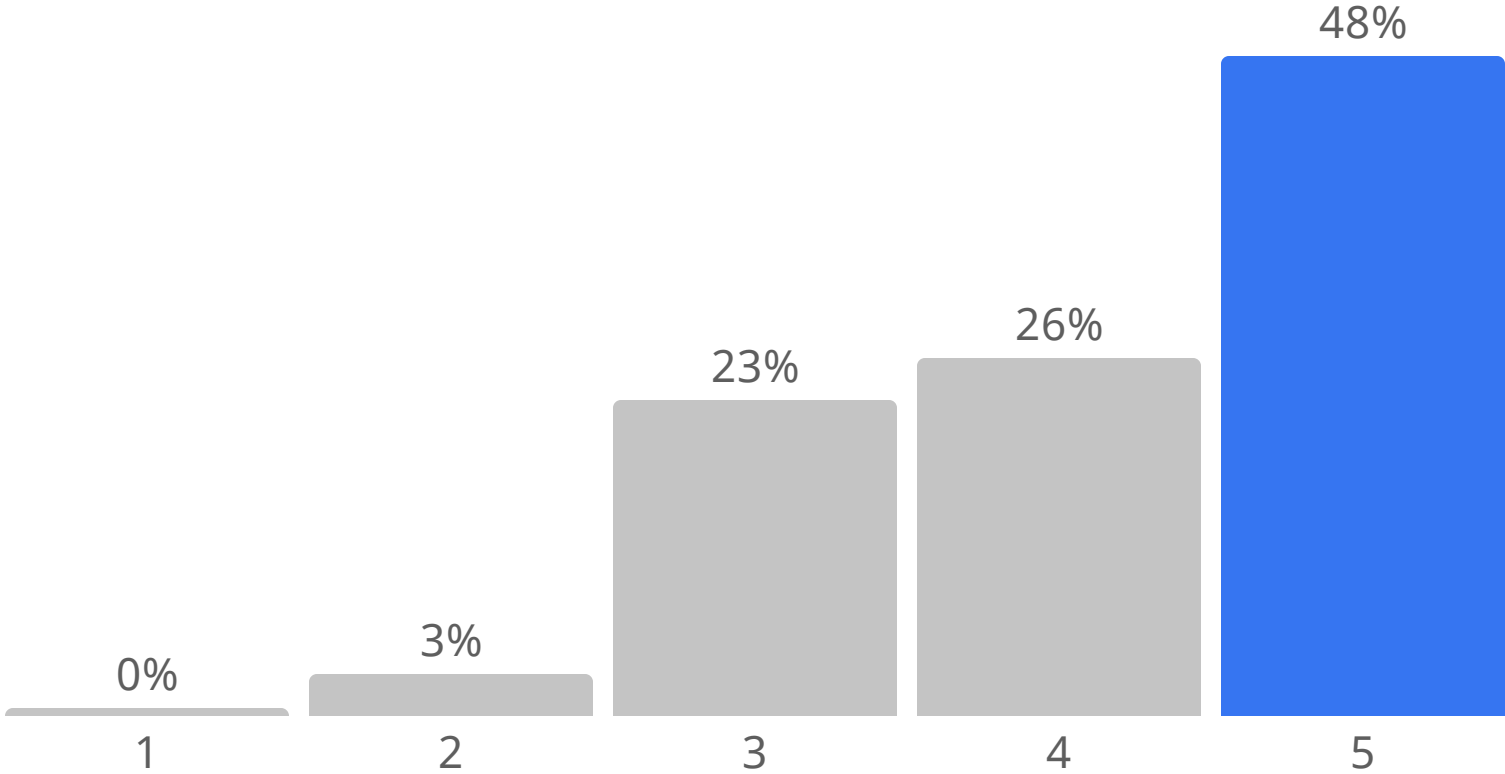

Rate the innovative ideas for spreading SPOC (14/14)

0 3 1

Using AI technologies (predictive modelling) and tools for screening and risk assessment

Score: 4.2

Pre-Surgical Screening

Poll results

Table of contents

- Rate the innovative ideas for implementing a digital screener

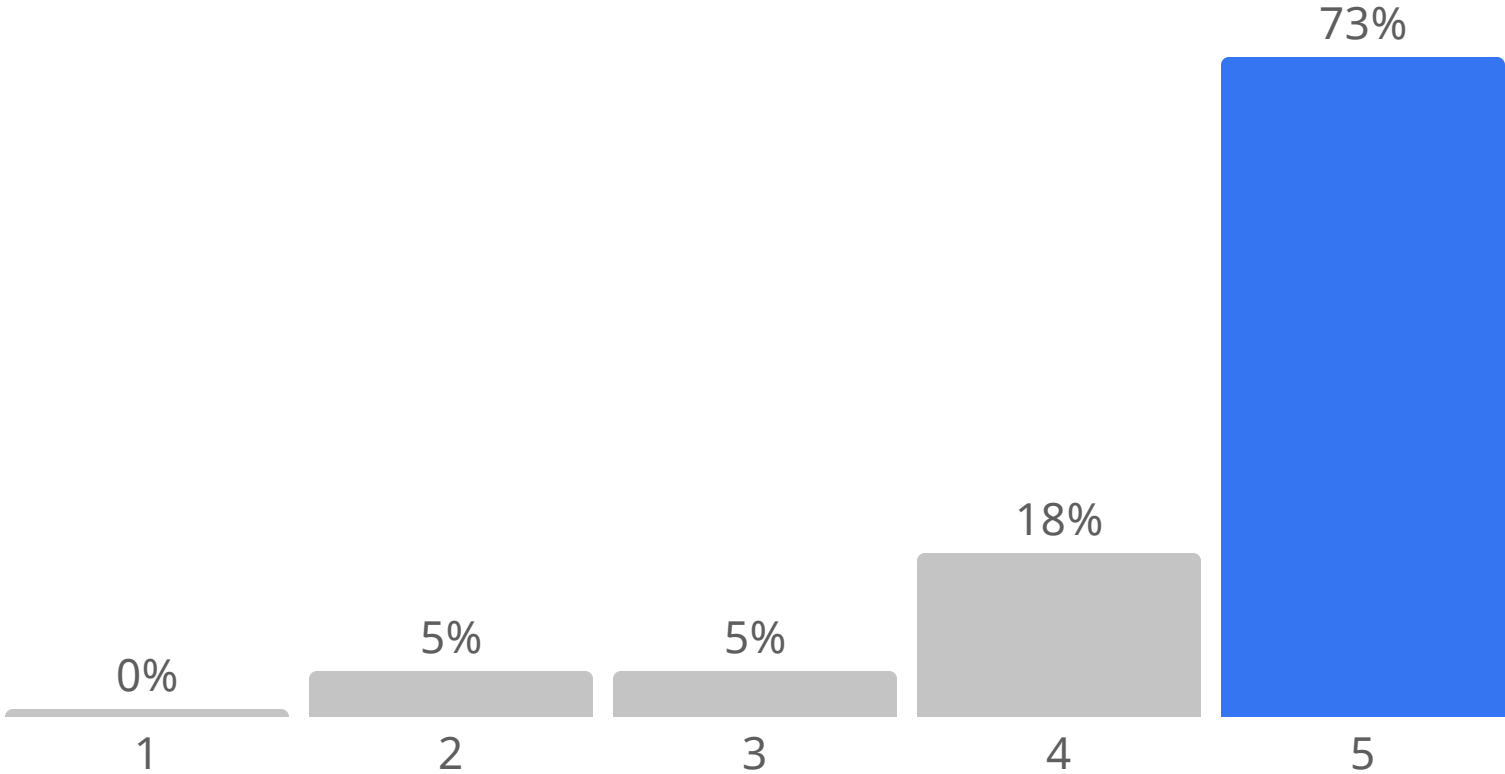

Rating poll

Rate the innovative ideas for implementing a digital screener (1/20)

0 4 4

Copy / borrow from the experts (Southampton!)

Score: 4.6

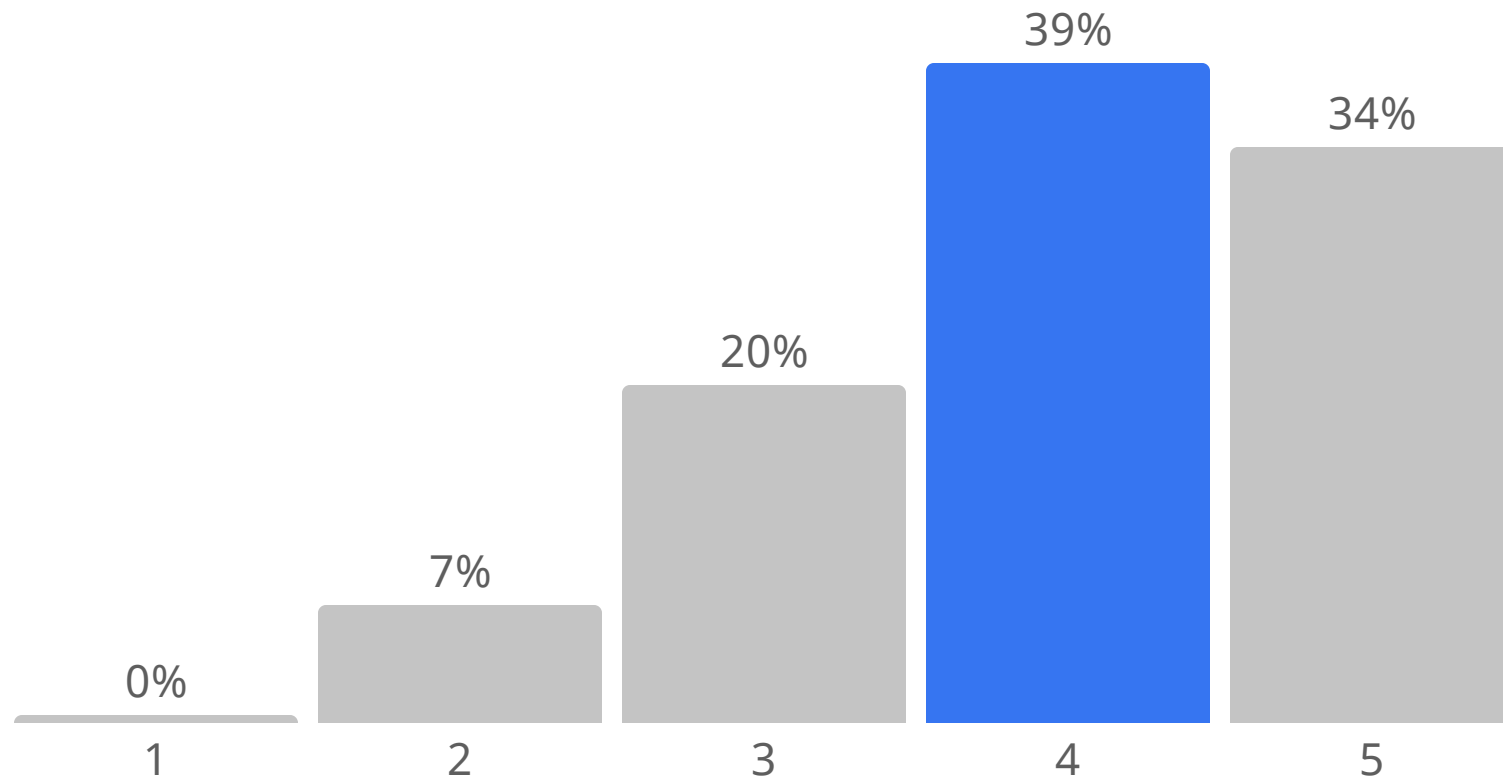

Rating poll

Rate the innovative ideas for implementing a digital screener (2/20)

0 4 4

Incentivize surgeons to provide PSS at surgical decision date

Score: 4.0

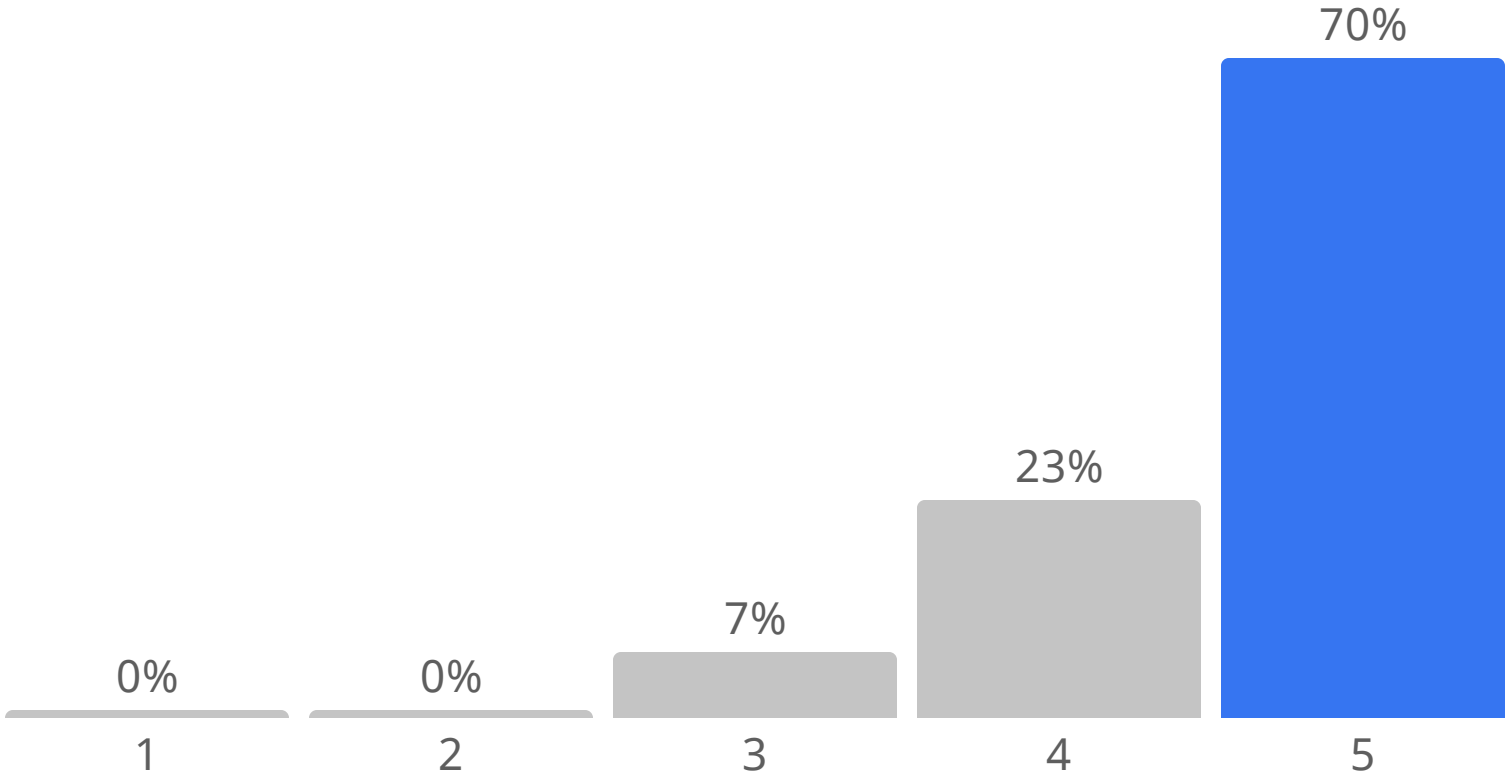

Rate the innovative ideas for implementing a digital screener (3/20)

0 4 4

EMR integration

Score: 4.6

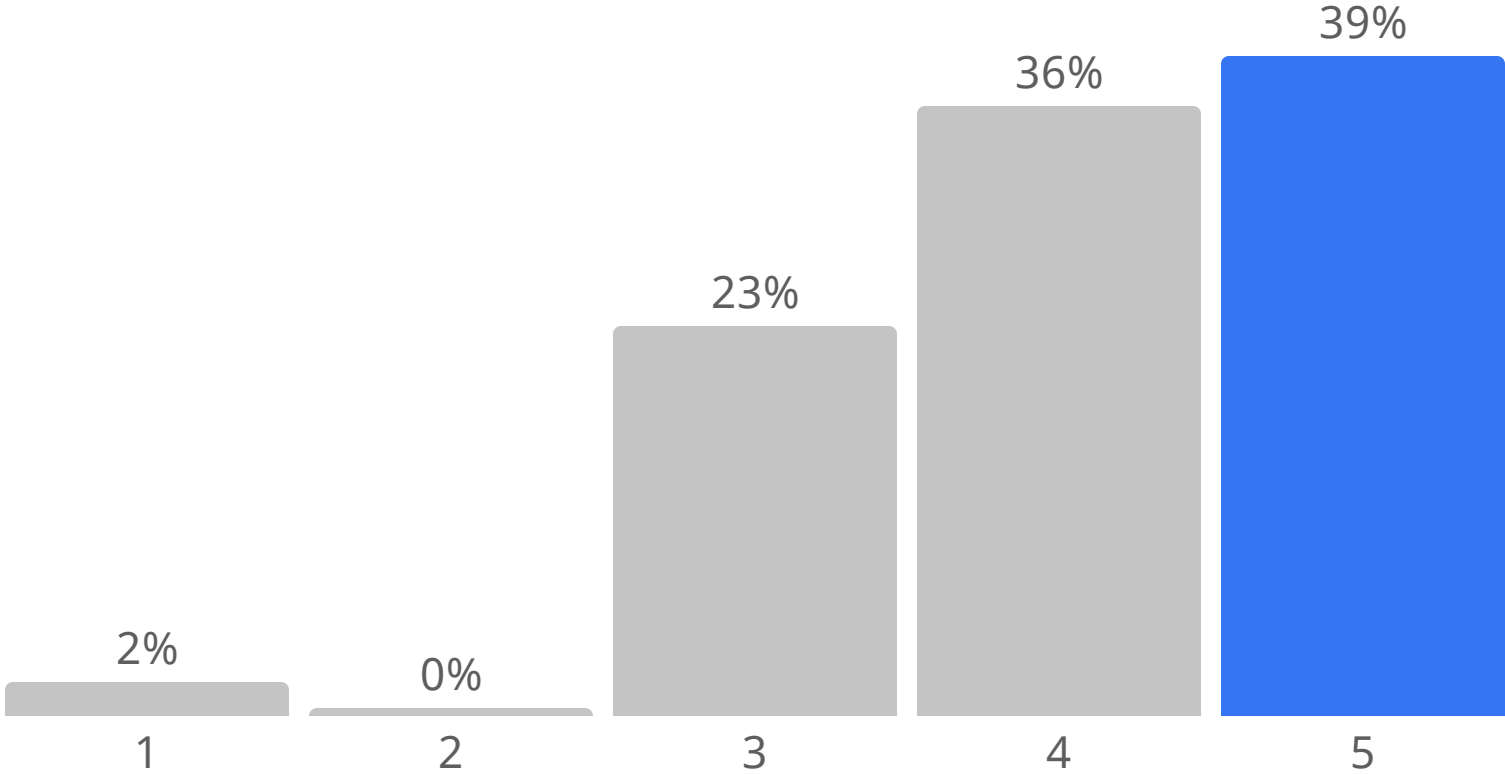

Rate the innovative ideas for implementing a digital screener (4/20)

0 4 4

Adapt to patient population needs and available resources

Score: 4.1

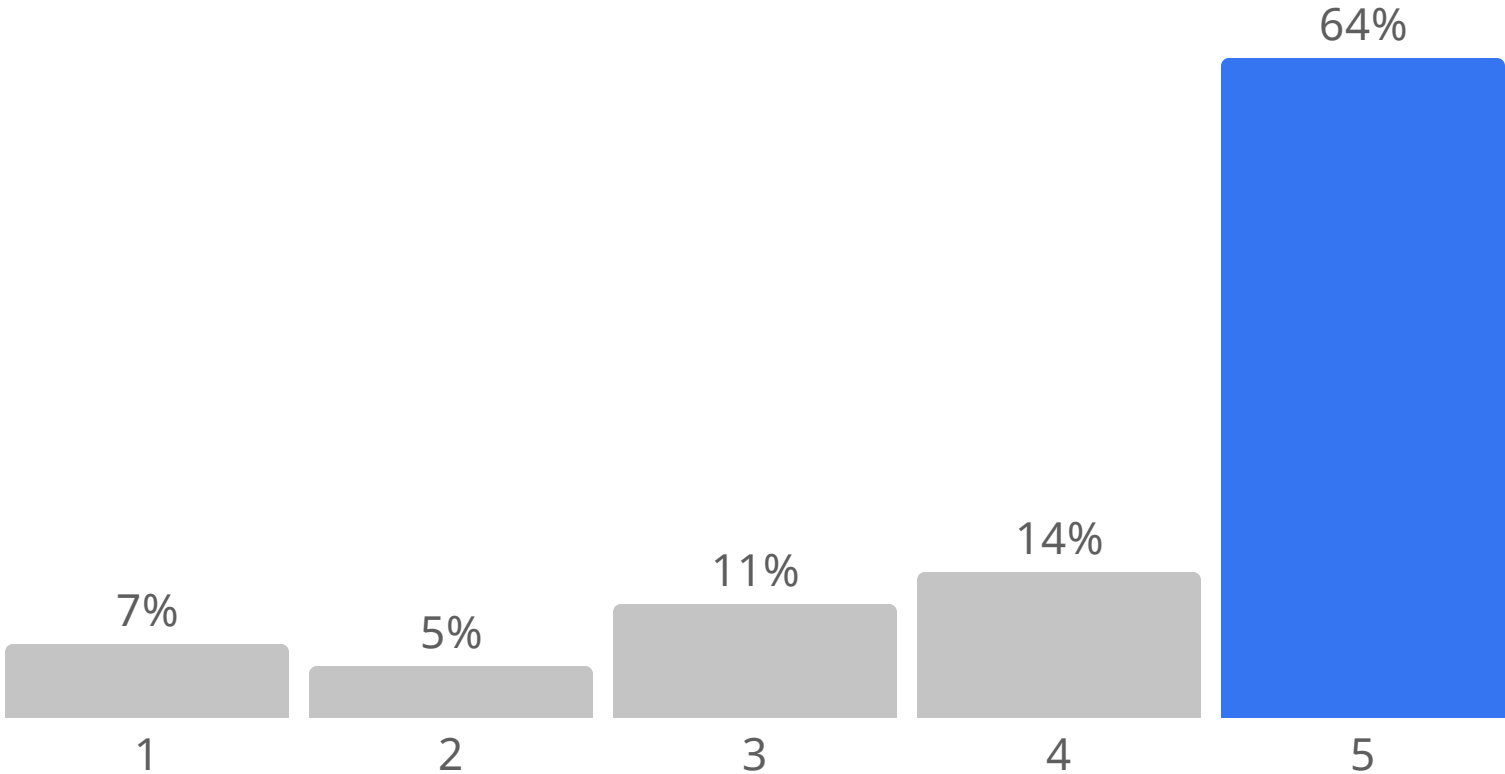

Rate the innovative ideas for implementing a digital screener (5/20)

0 4 4

Province-wide EMR

Score: 4.2

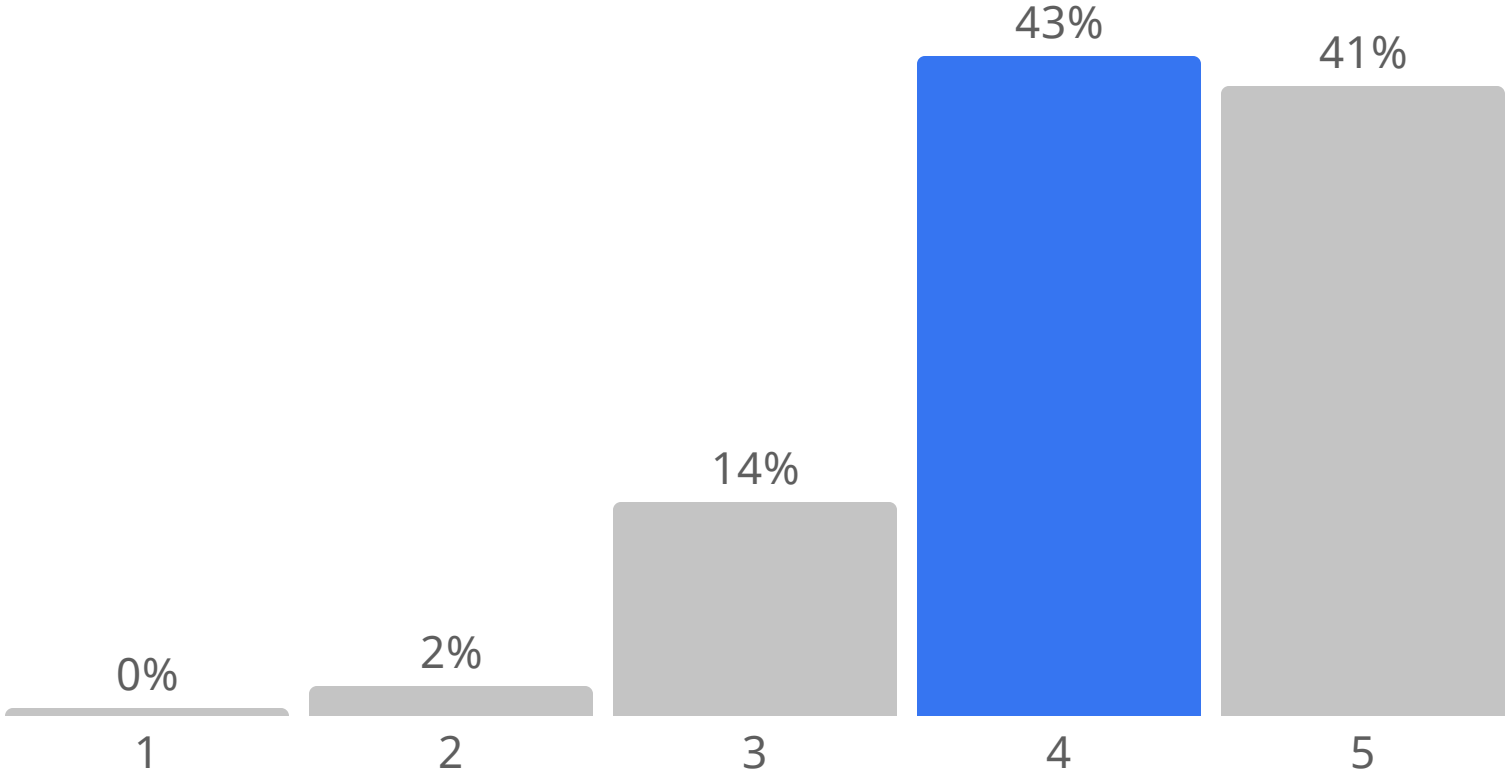

Rate the innovative ideas for implementing a digital screener (6/20)

0 4 4

Patient facing summary and output (from screening)

Score: 4.2

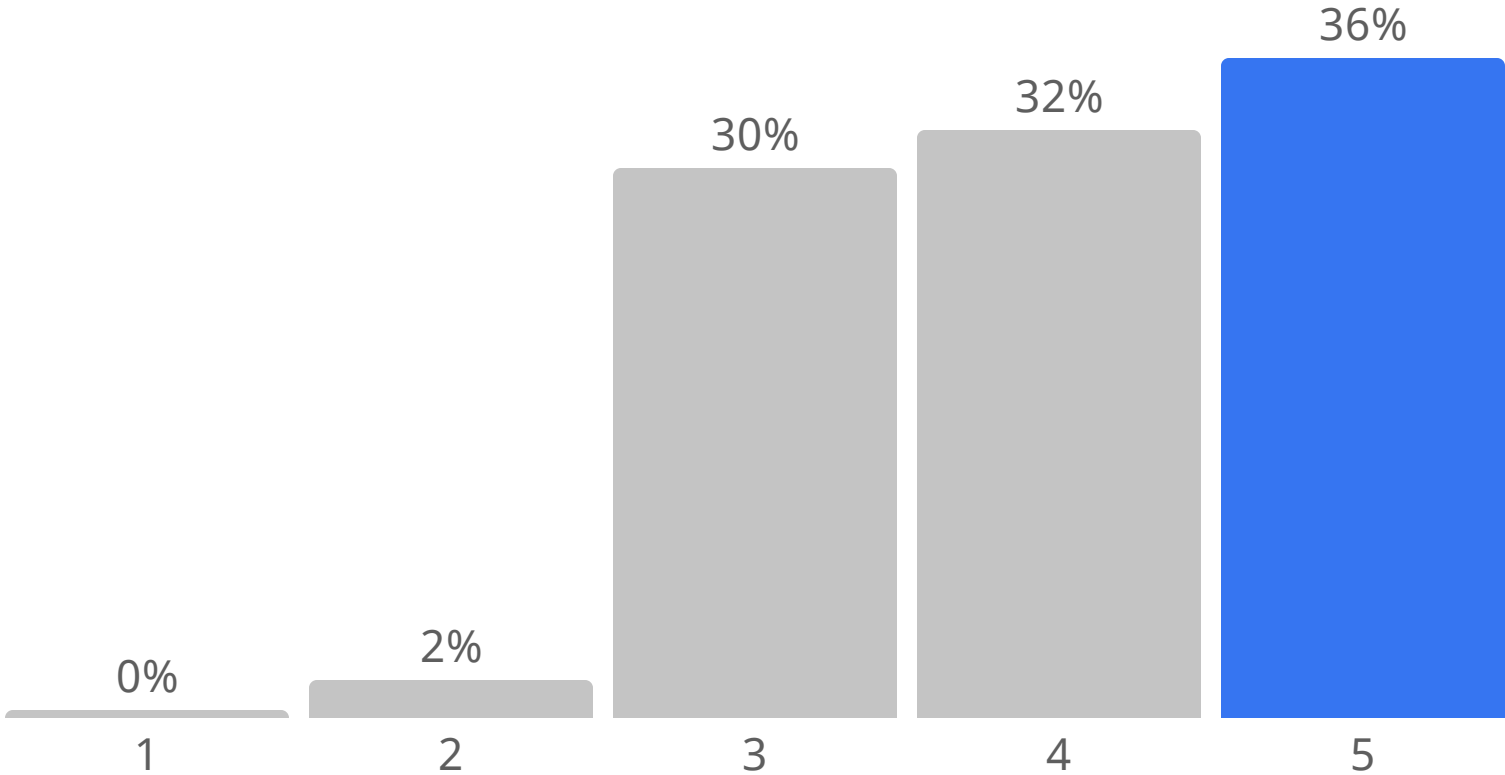

Rate the innovative ideas for implementing a digital screener (7/20)

0 4 4

Hard deadlines for site implementation

Score: 4.0

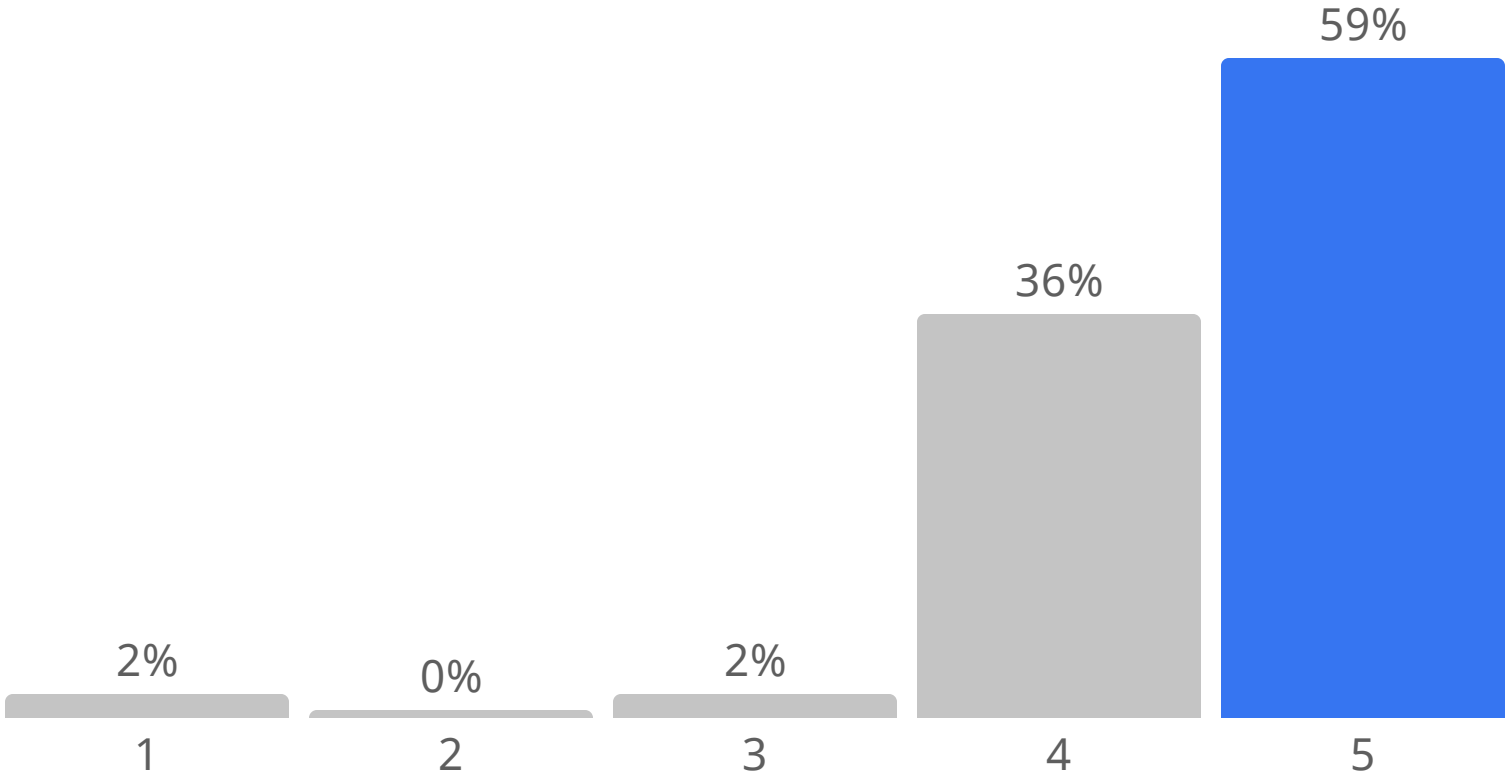

Rate the innovative ideas for implementing a digital screener (8/20)

0 4 4

Provincial coordination for implementing

Score: 4.5

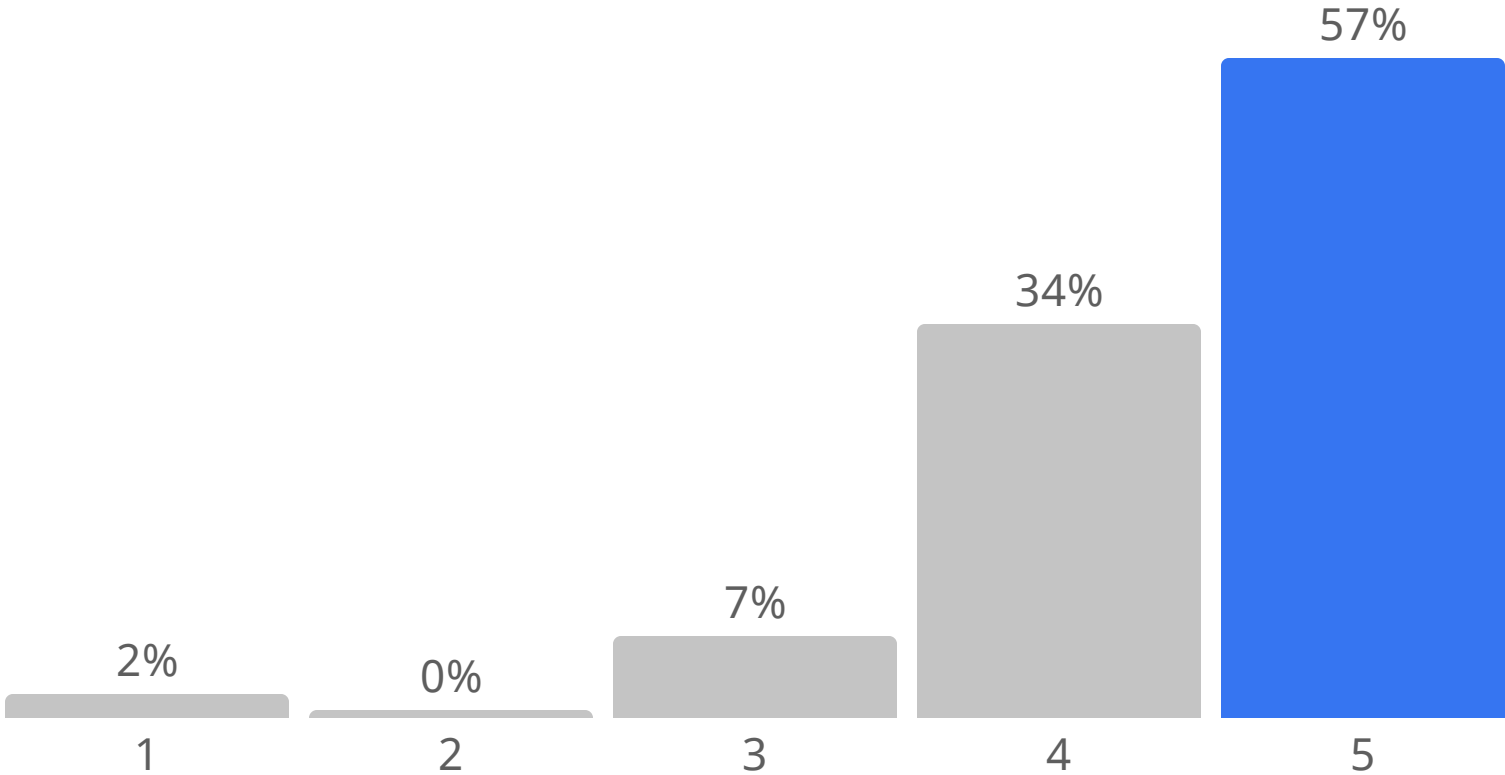

Rate the innovative ideas for implementing a digital screener (9/20)

0 4 4

Have an awesome product

Score: 4.4

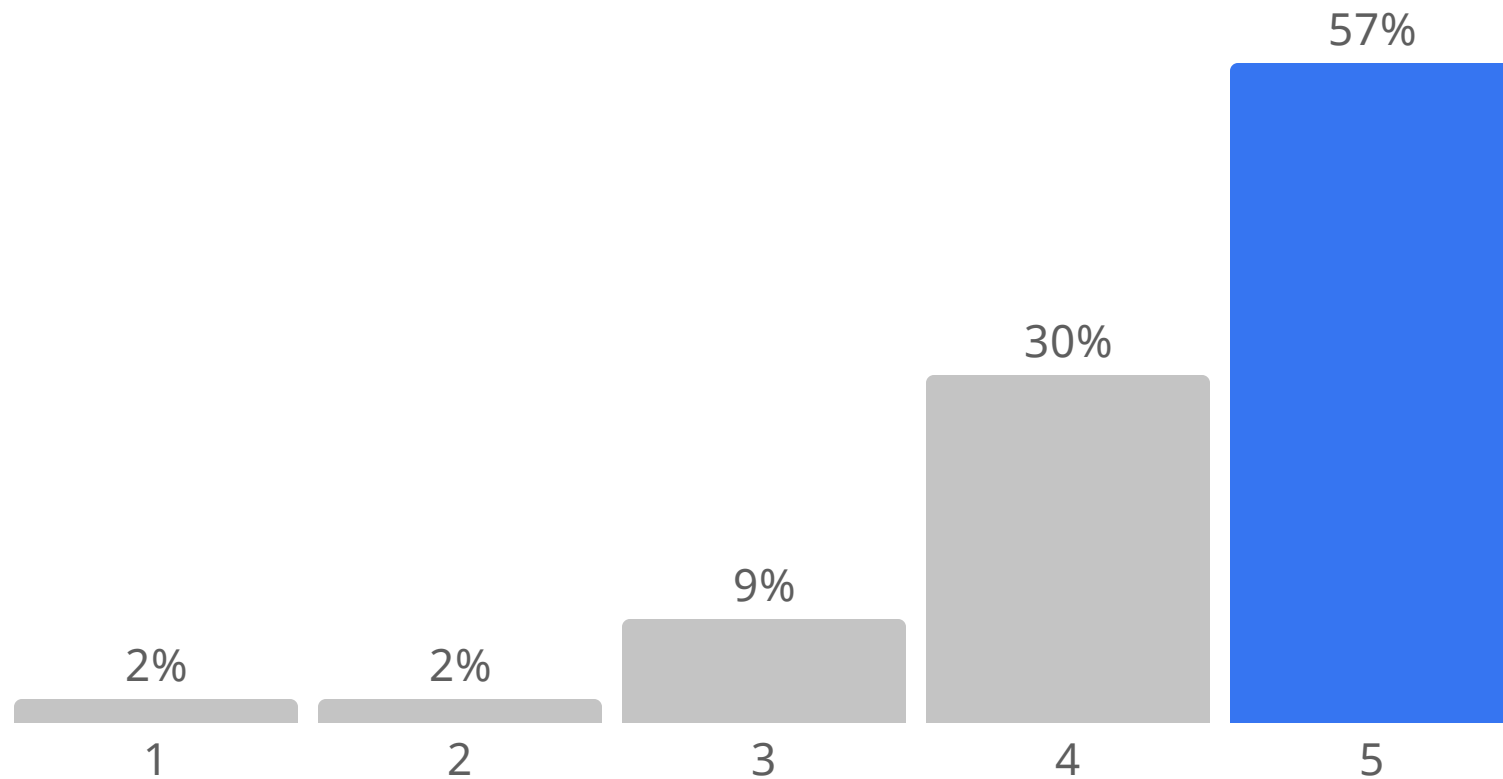

Rating poll

Rate the innovative ideas for implementing a digital screener (10/20)

0 4 4

Provincially mandated process (of prehabilitation)

Score: 4.4

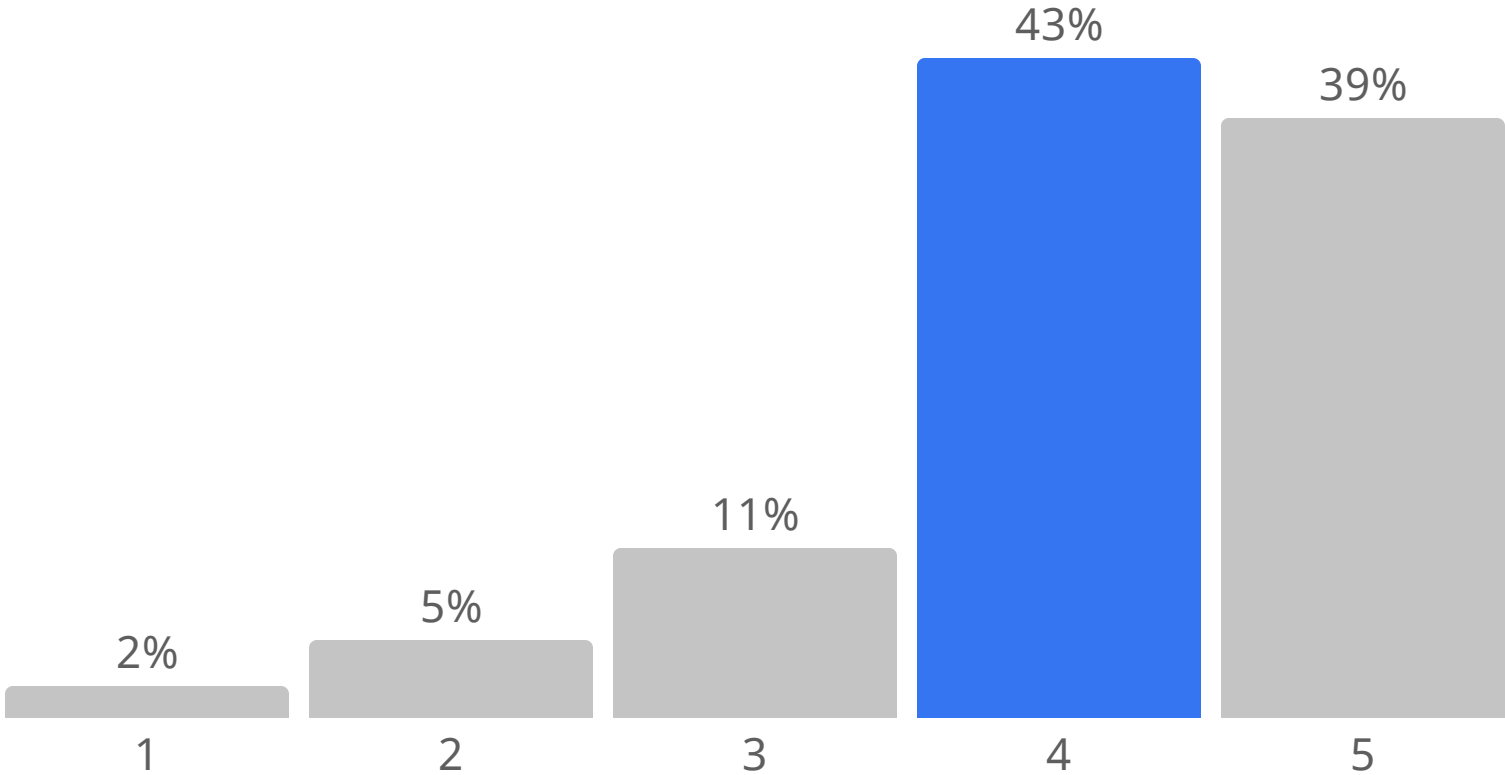

Rate the innovative ideas for implementing a digital screener (11/20)

0 4 4

Integrate health apps or wearables

Score: 4.1

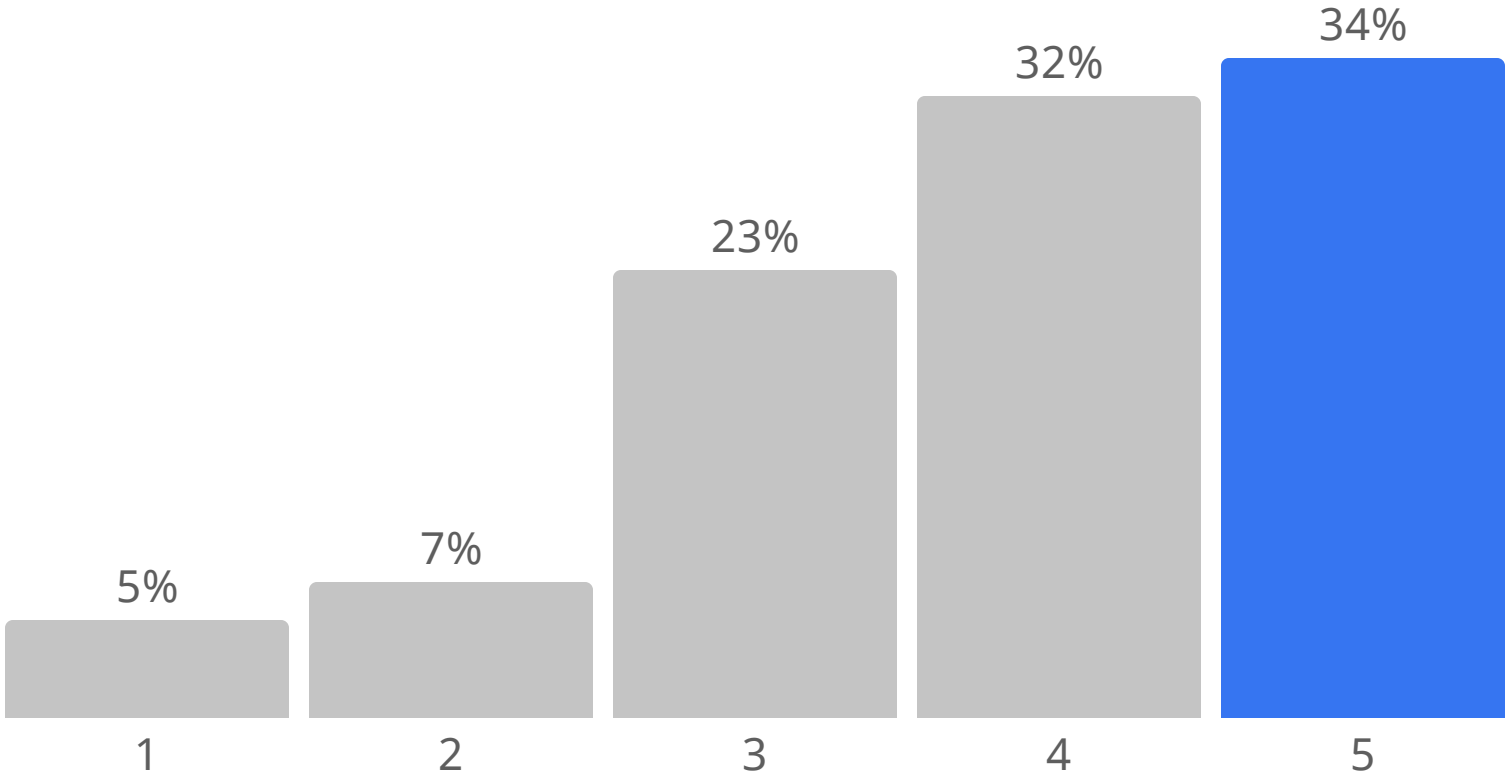

Rate the innovative ideas for implementing a digital screener (12/20)

0 4 4

Province-wide privacy considerations

Score: 3.8

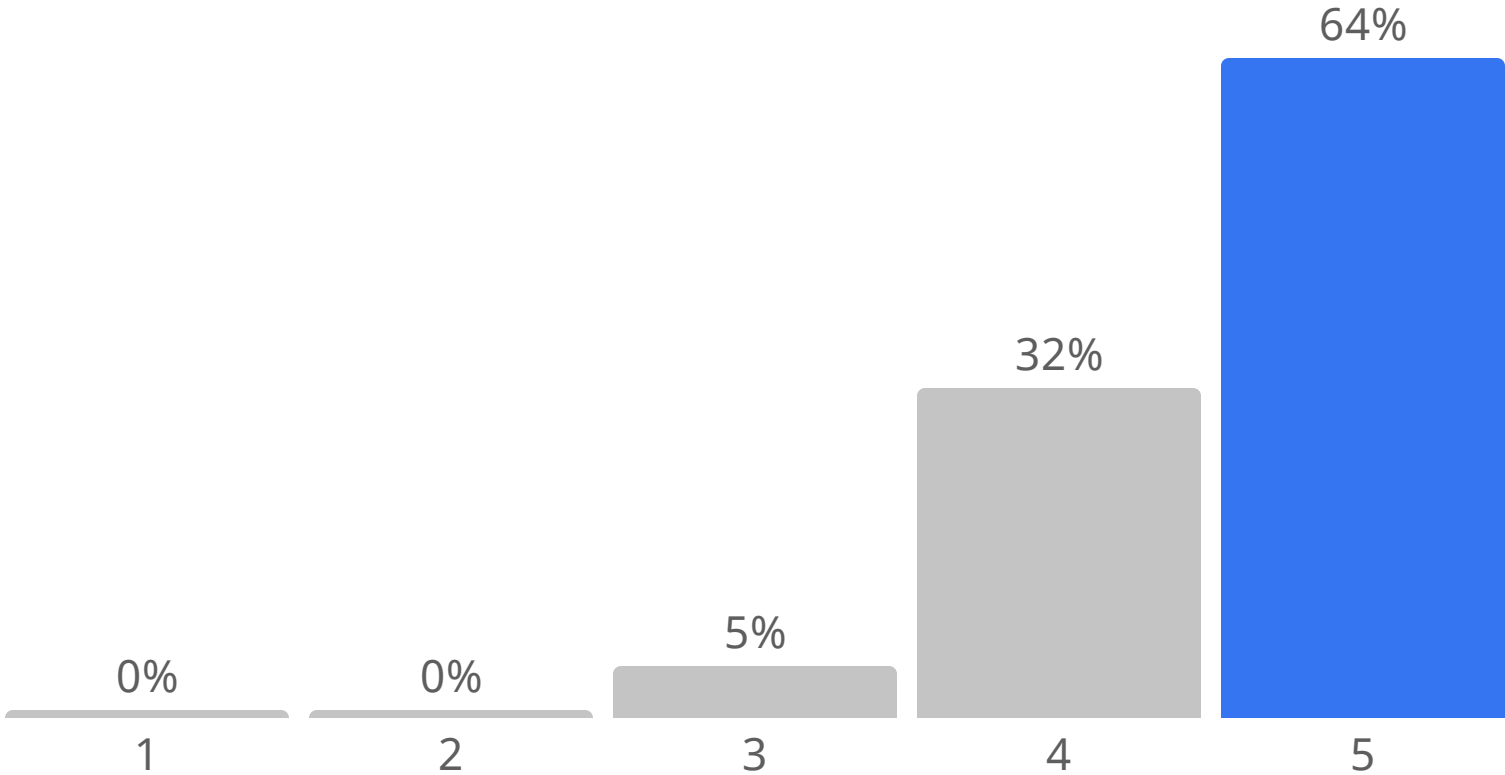

Rate the innovative ideas for implementing a digital screener (13/20)

0 4 4

Delightful simplicity of use

Score: 4.6

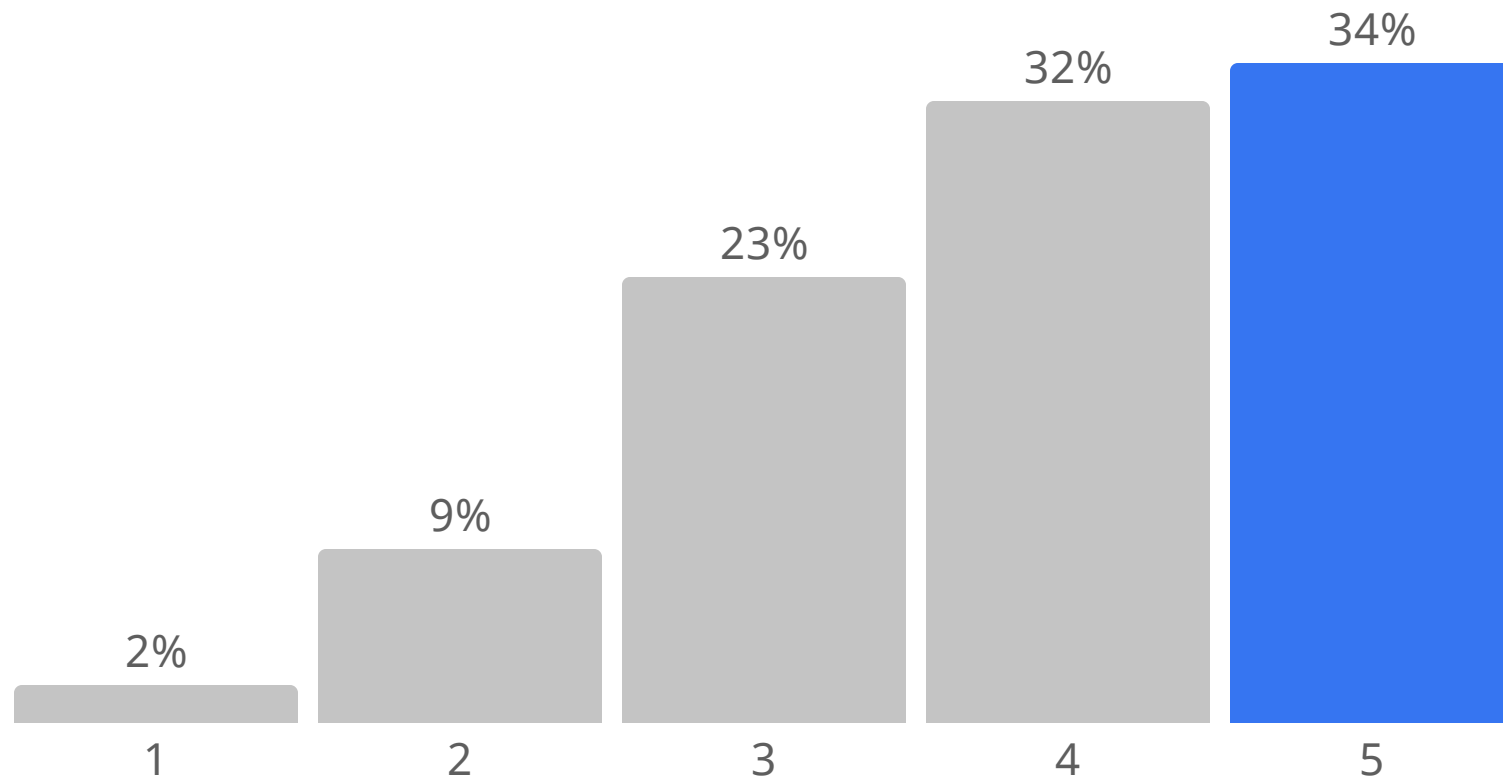

Rating poll

Rate the innovative ideas for implementing a digital screener (14/20)

0 4 4

One single template for referrals from primary care to surgeon

Score: 3.9

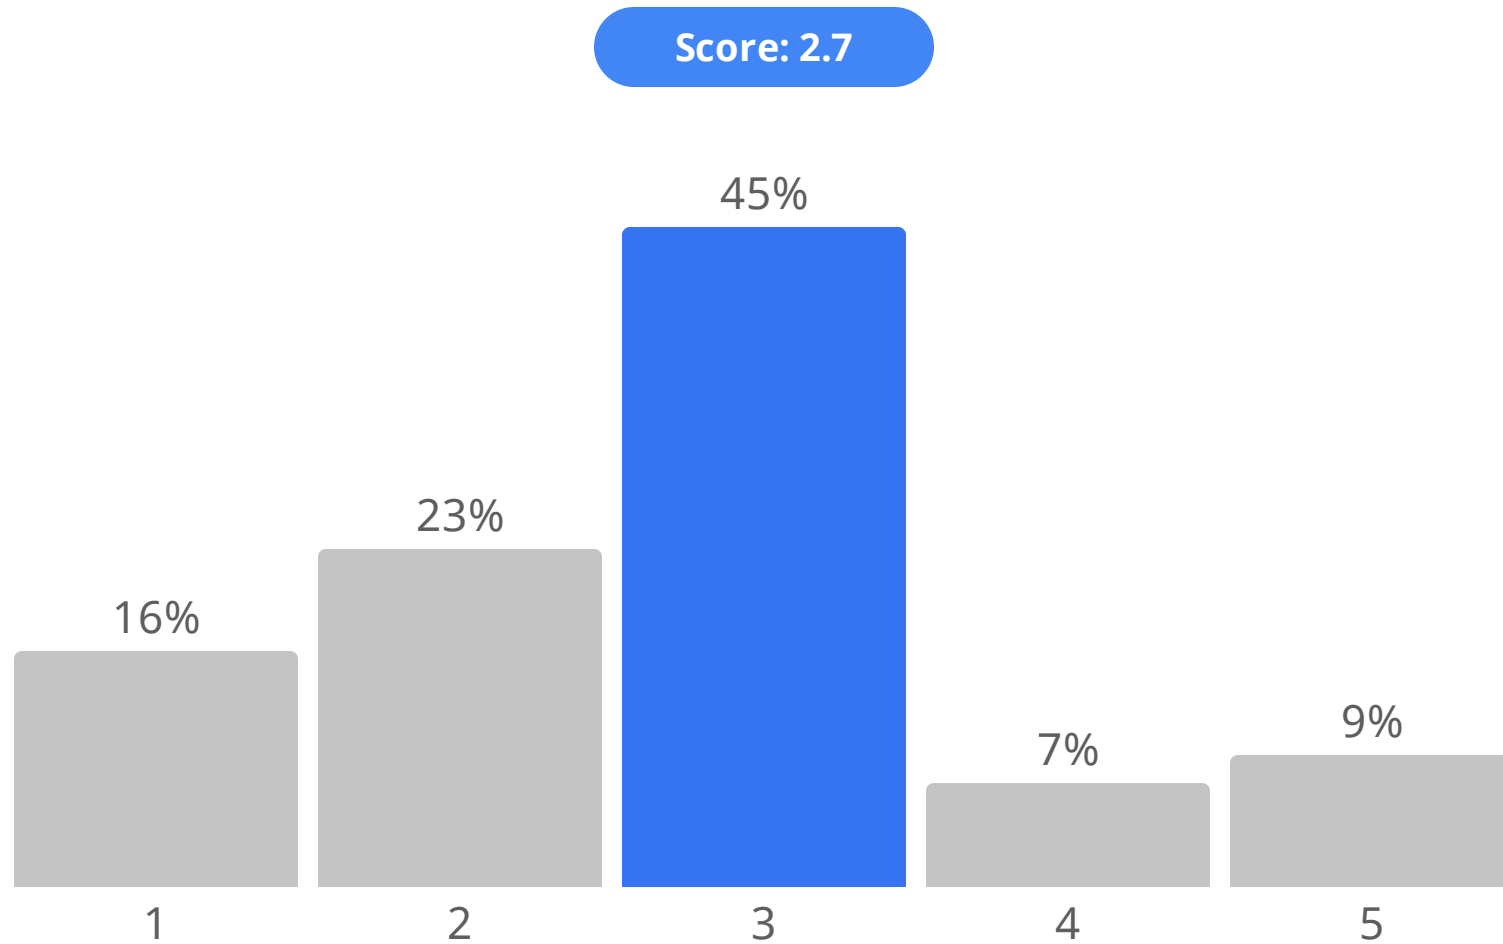

Rating poll

Rate the innovative ideas for implementing a digital screener (15/20)

0 4 4

Use Amazon Cloud to store patient data

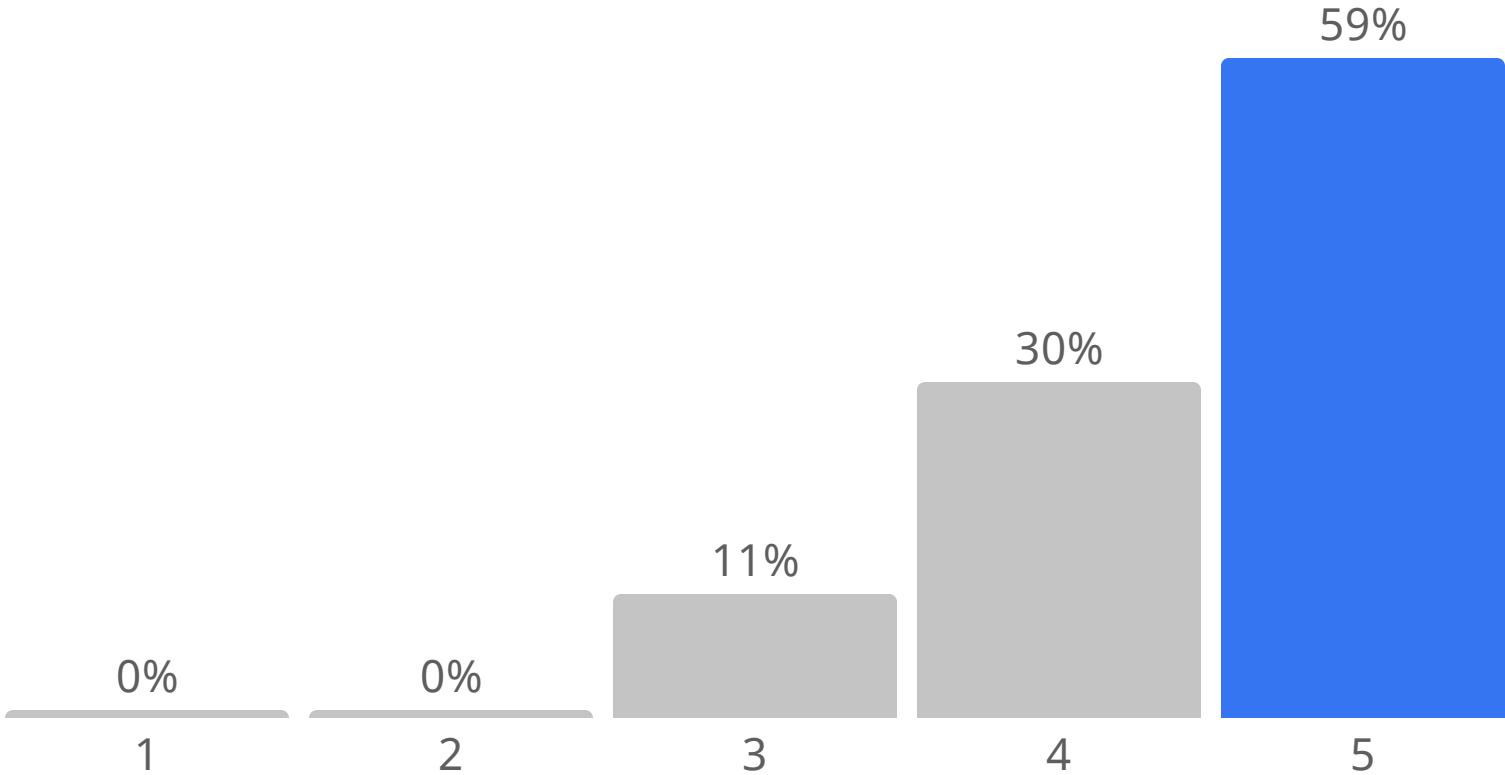

Rating poll

Rate the innovative ideas for implementing a digital screener (16/20)

0 4 4

Easy to update the tool

Score: 4.5

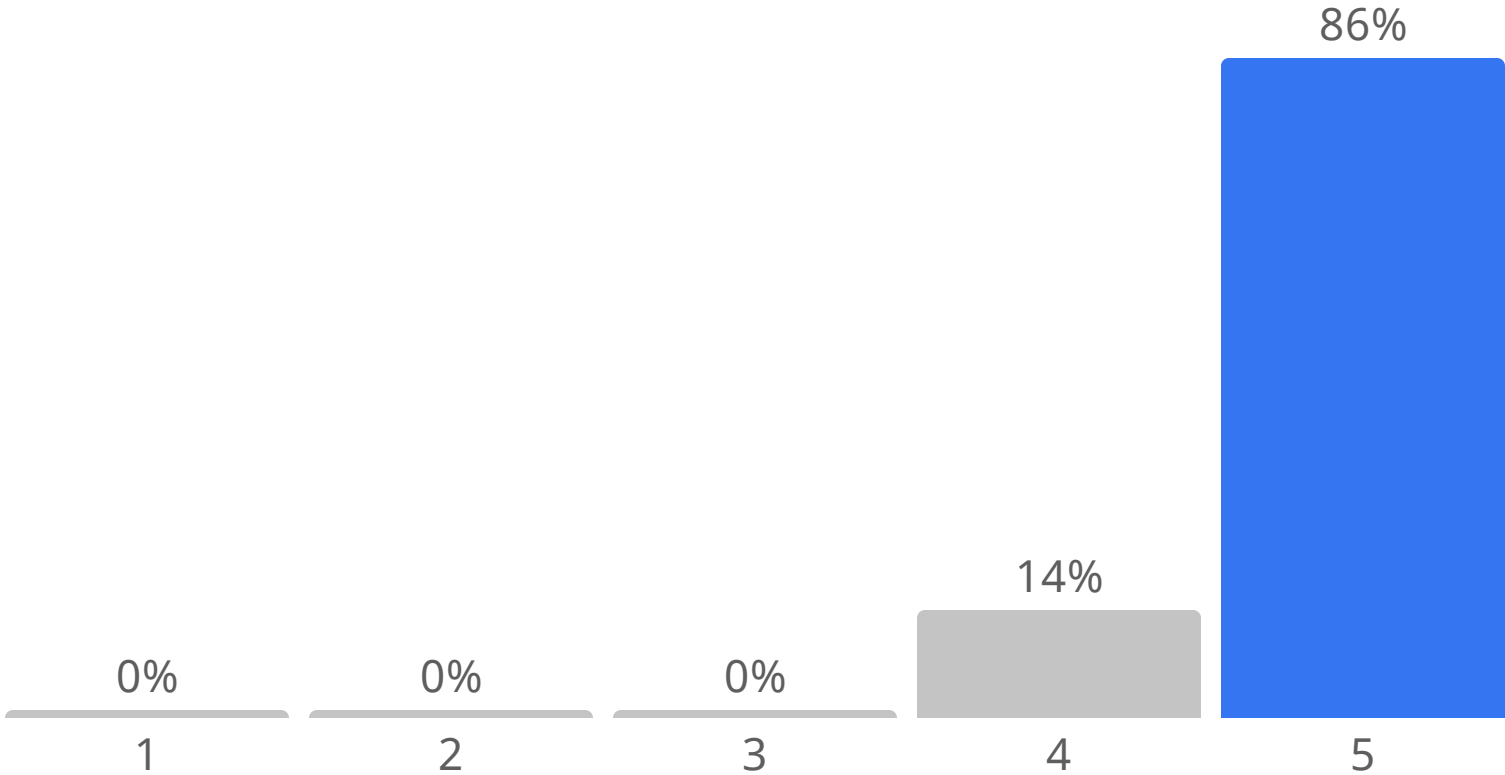

Rate the innovative ideas for implementing a digital screener (17/20)

0 4 4

Committed, sustained provincial funding

Score: 4.9

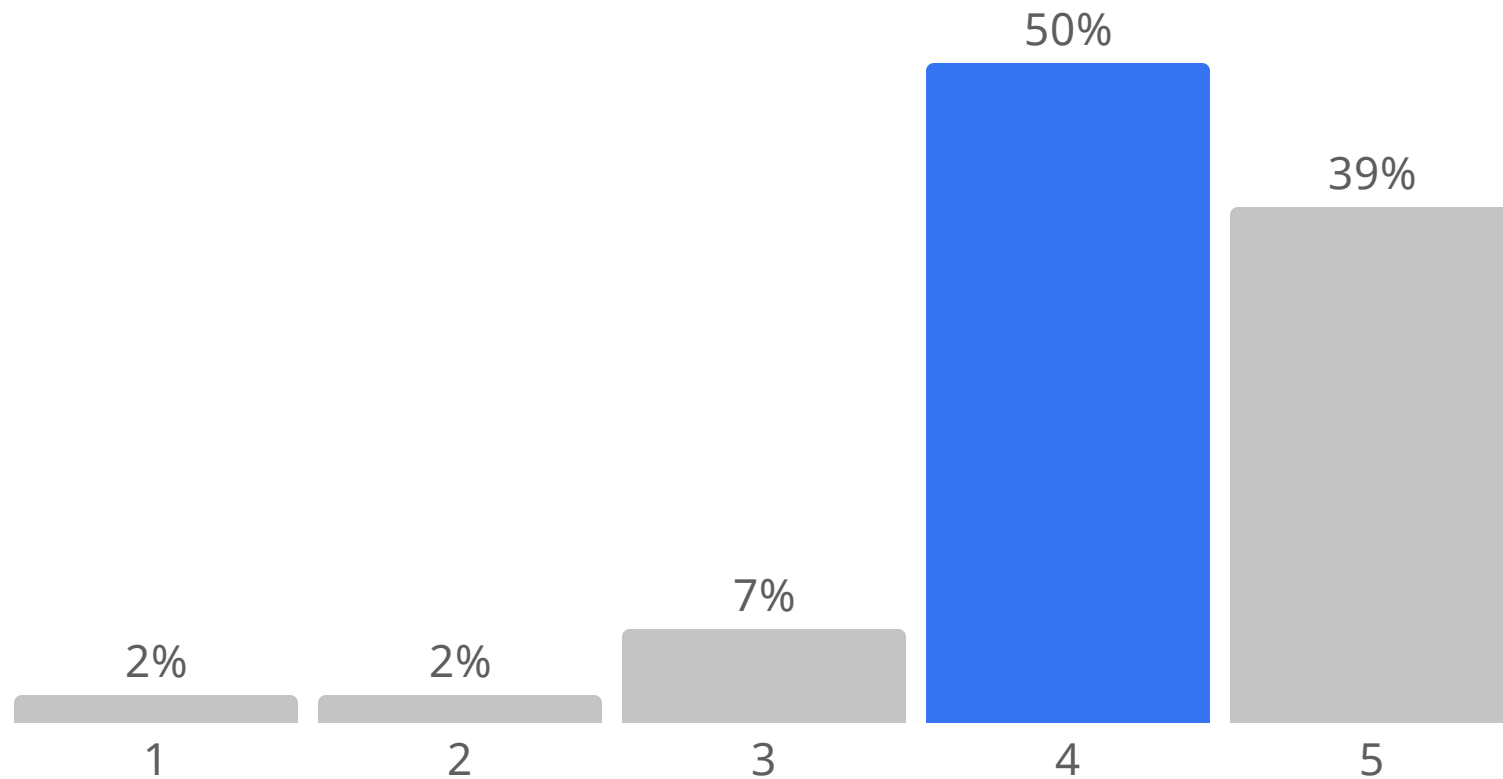

Rating poll

Rate the innovative ideas for implementing a digital screener (18/20)

0 4 4

Provincial digital screener but flexible enough for communities (urban, rural, different populations, etc.)

Score: 4.2

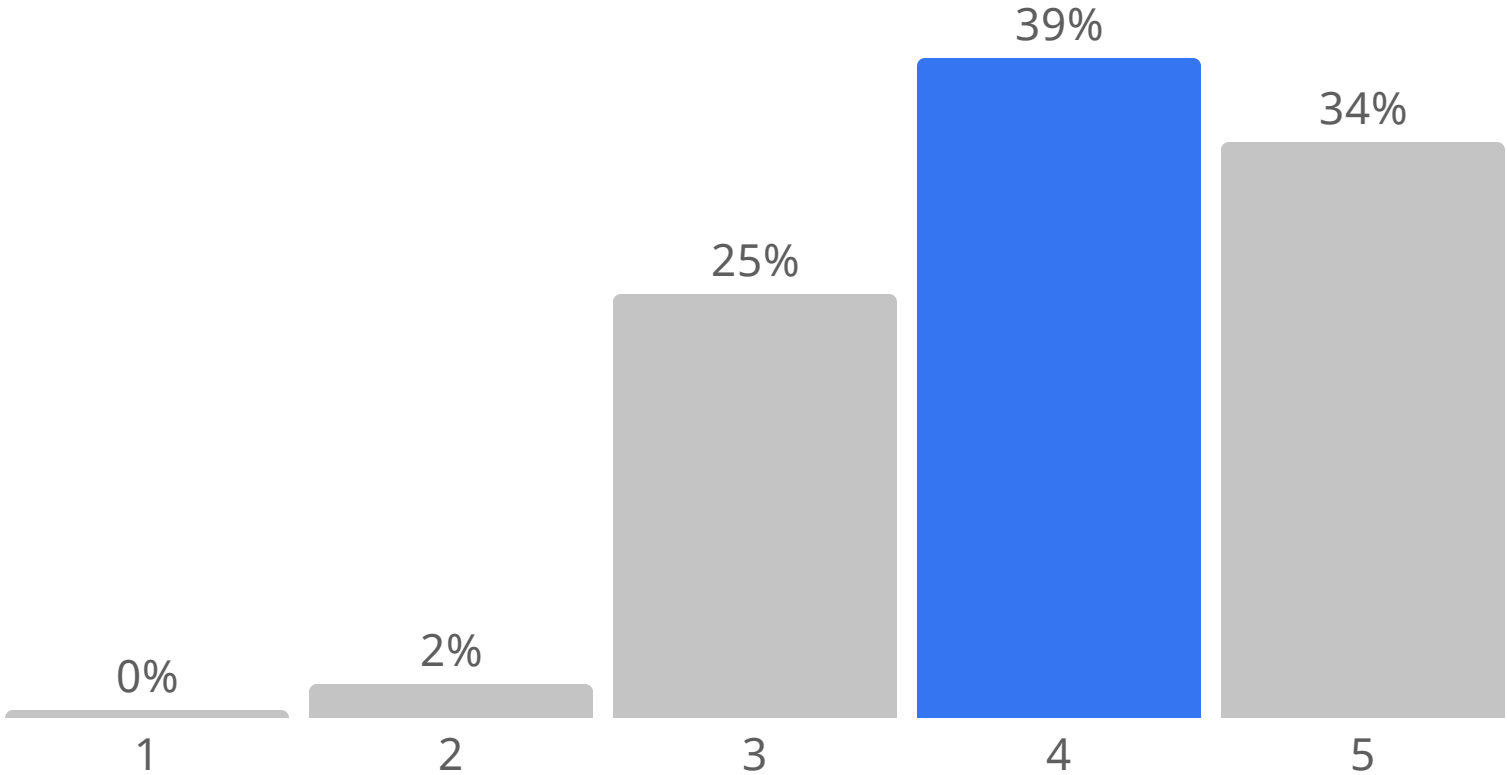

Rate the innovative ideas for implementing a digital screener (19/20)

0 4 4

AI integration to handle updates of summaries

Score: 4.0

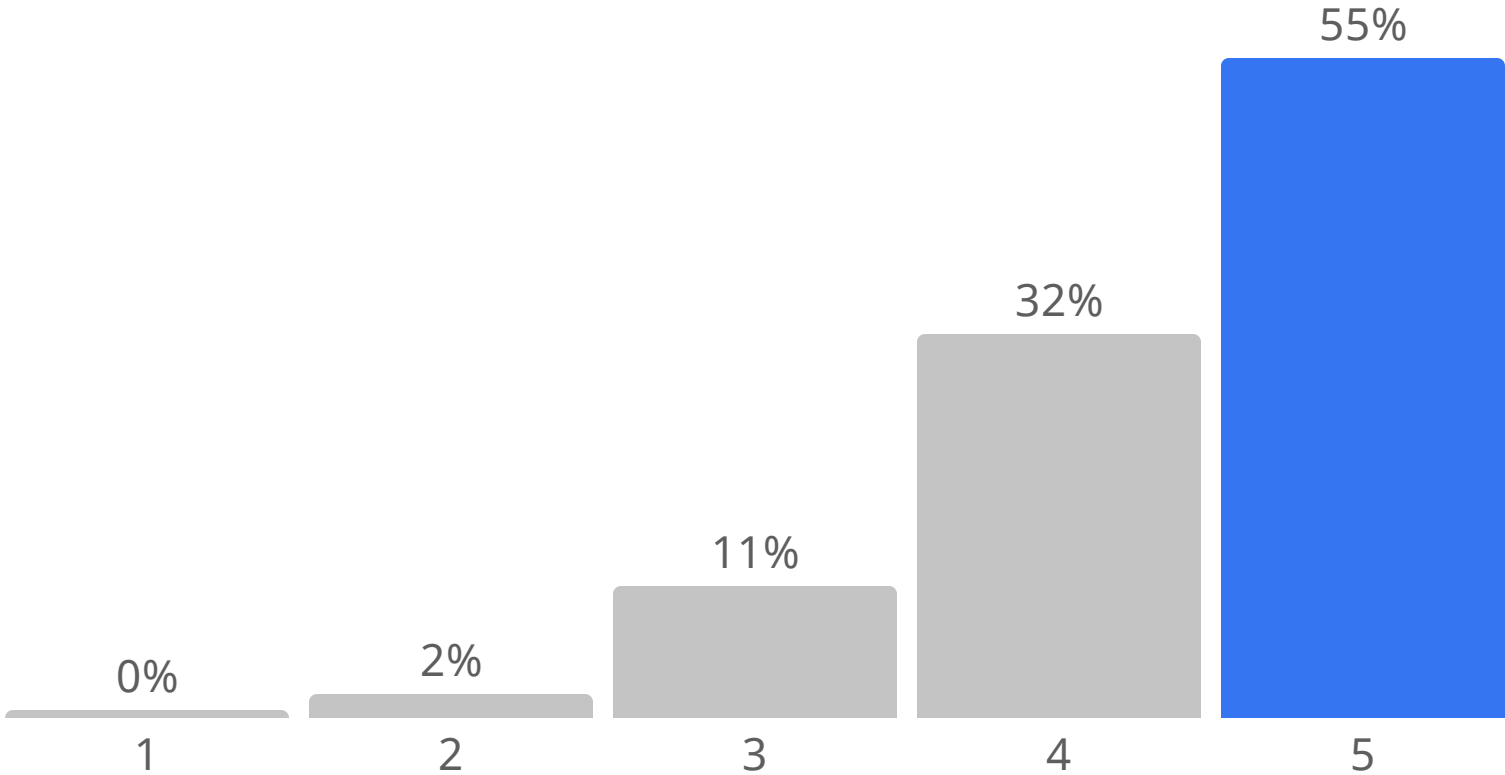

Rating poll

Rate the innovative ideas for implementing a digital screener (20/20)

0 4 4

Patient ambassador (Digital Health Assistant)

Score: 4.4

Reducing Patient Wait Times

Poll results

Table of contents

- Please rate the innovation ideas below:

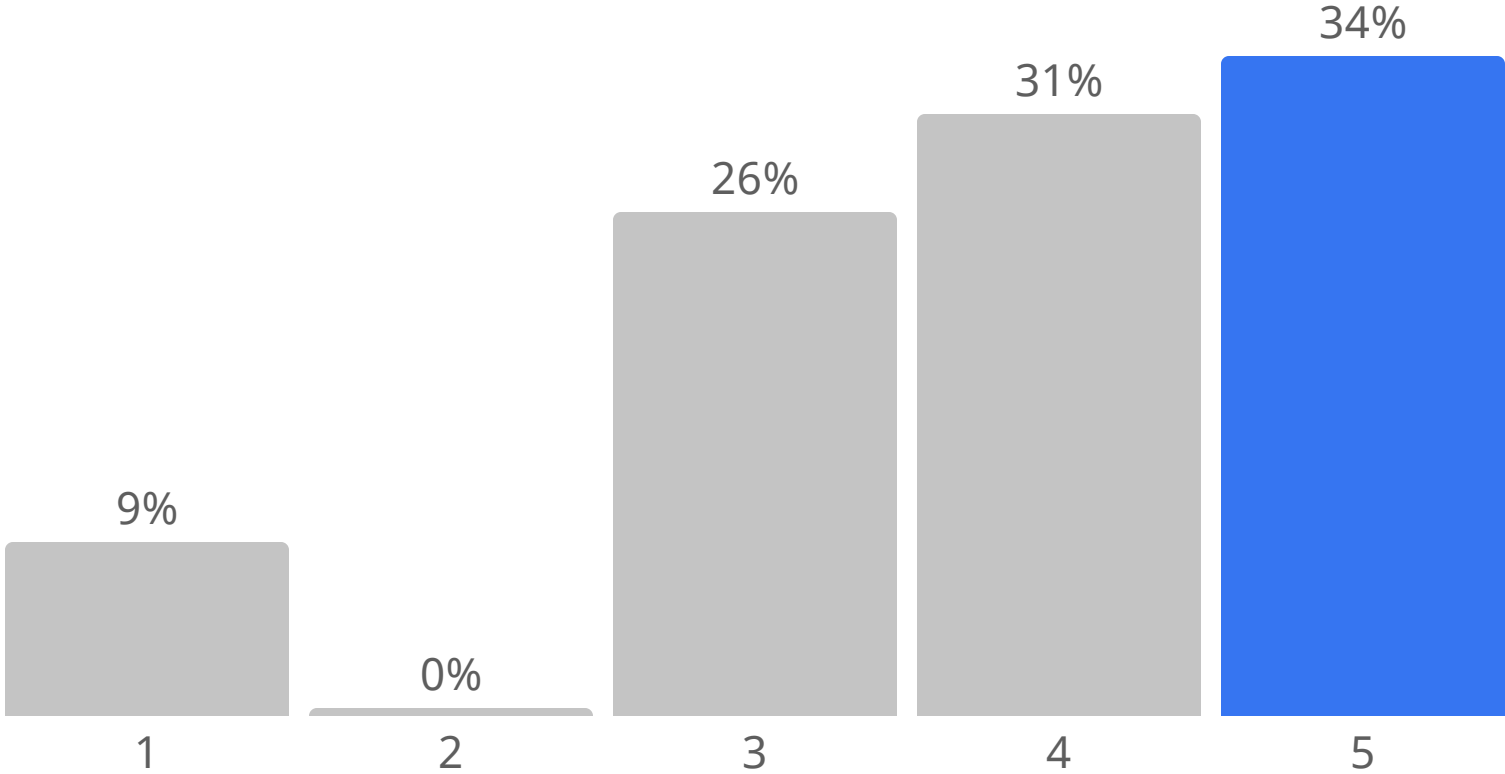

Rating poll

Please rate the innovation idea for reducing patient wait time below: (1/19)

0 3 5

Centralized patient registration were appropriate

Score: 3.8

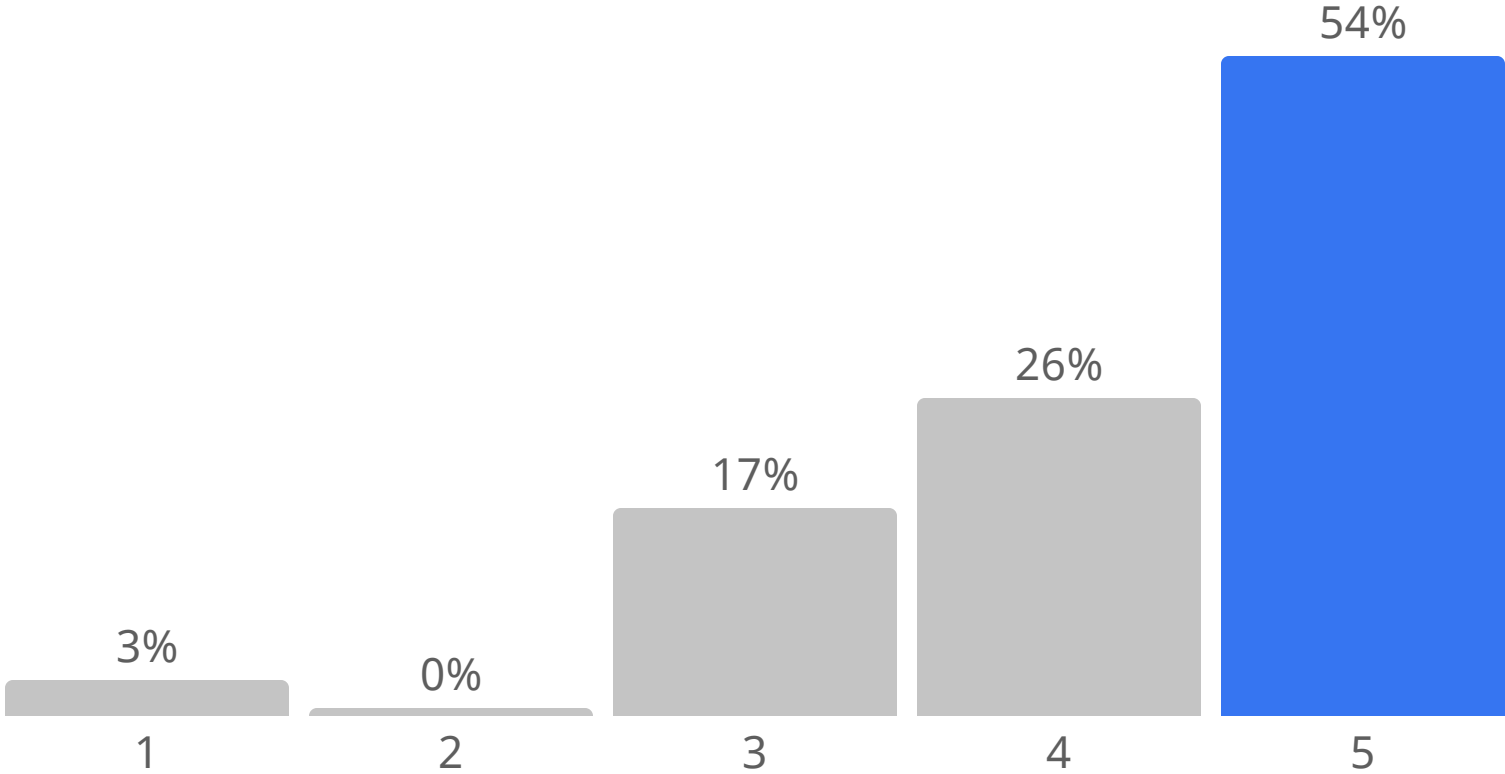

Please rate the innovation idea for reducing patient wait time below: (2/19)

0 3 5

Upfront optimization or screening for patients when added to the list

Score: 4.3

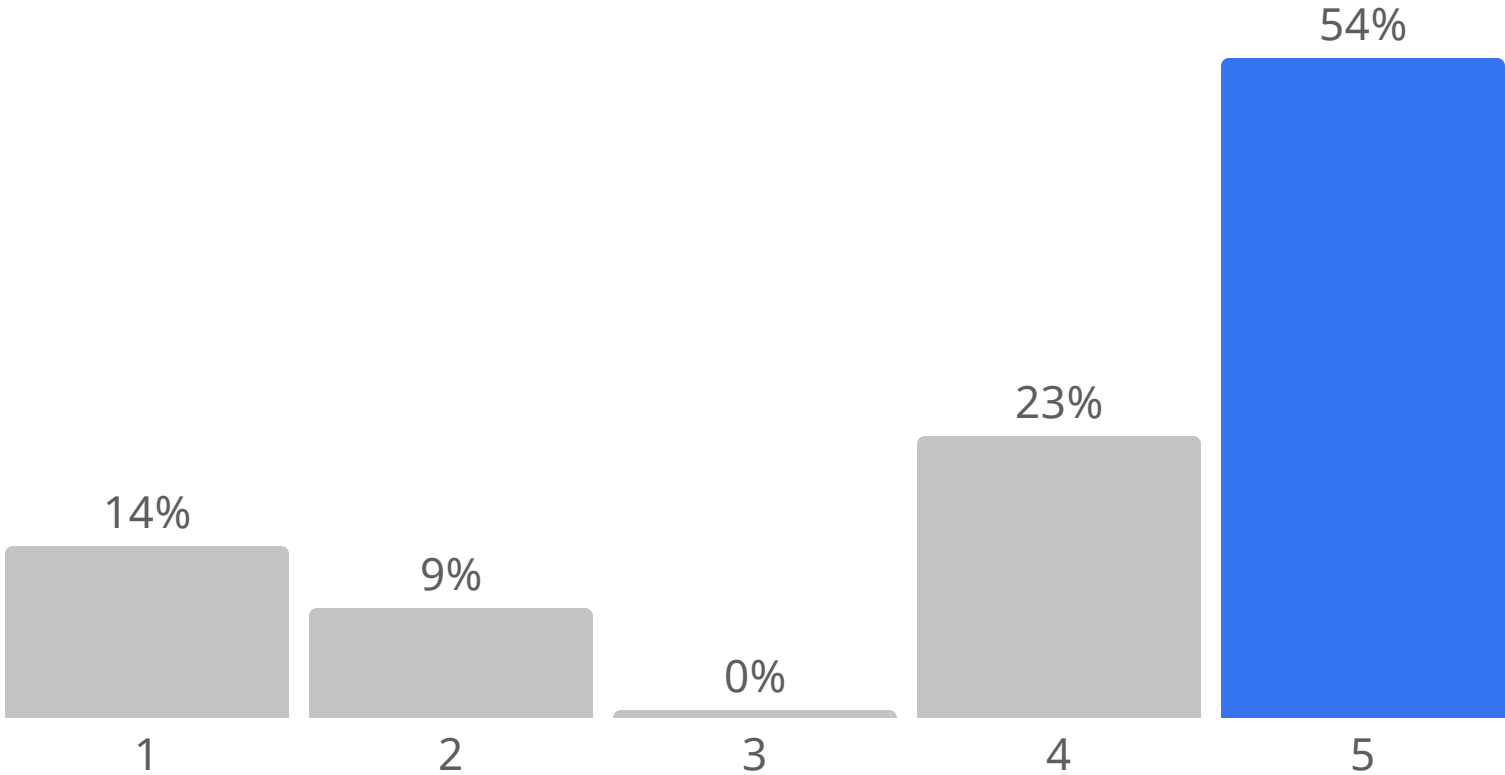

Rating poll

Please rate the innovation idea for reducing patient wait time below: (3/19)

0 3 5

Ready, willing, able, optimized then waitlisted

Score: 3.9

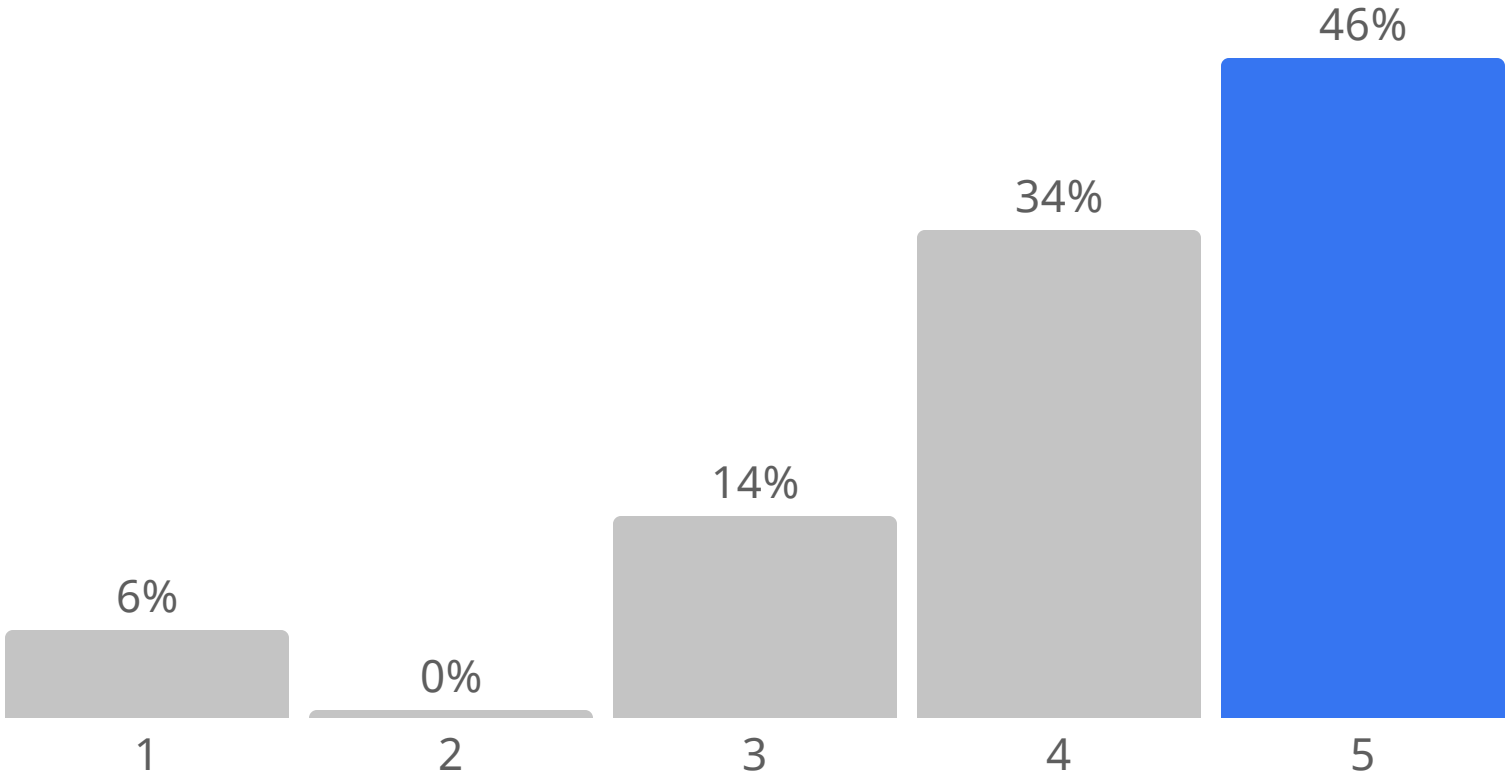

Rating poll

Please rate the innovation idea for reducing patient wait time below:
(4/19)

0 3 5

The right patient in the right location

Score: 4.1

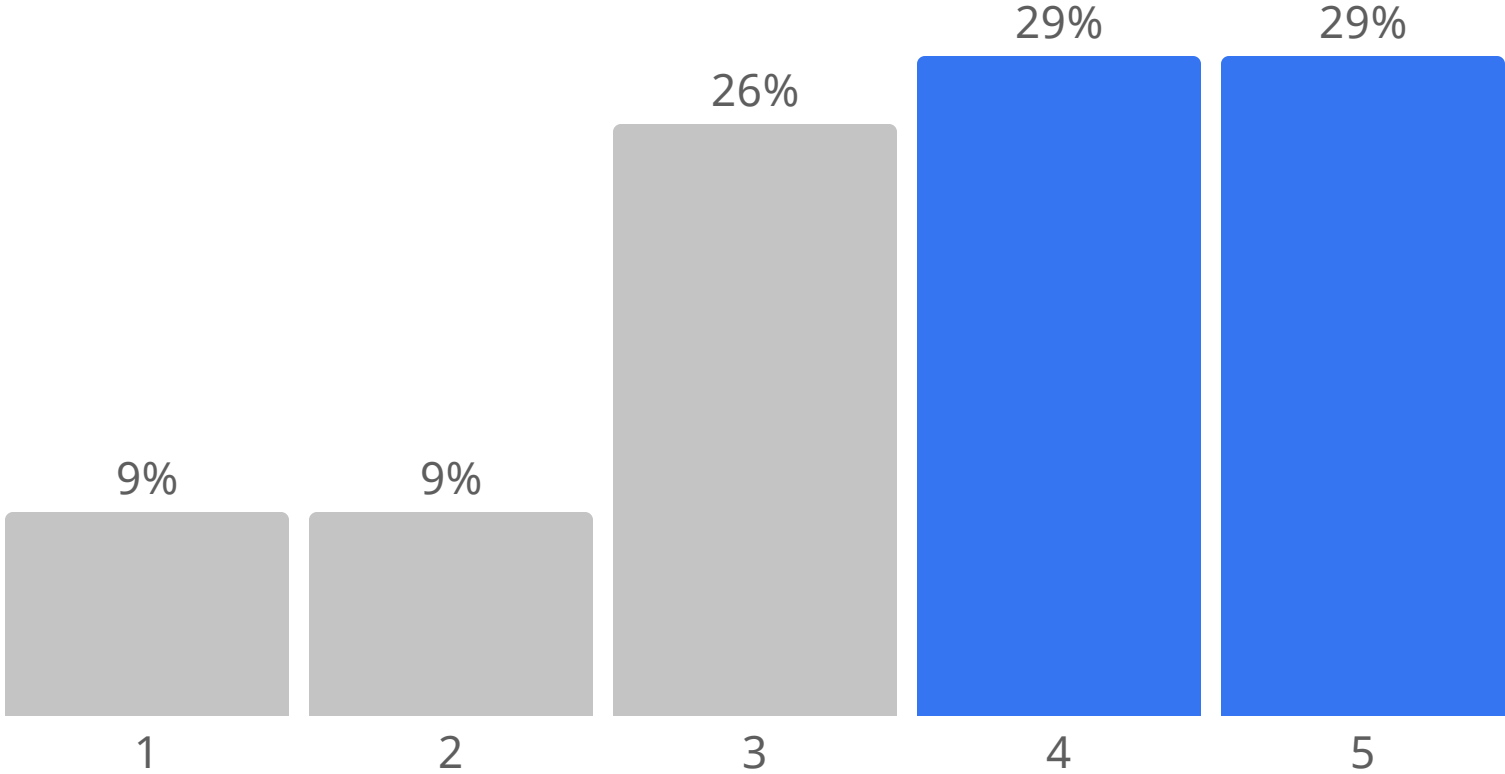

Please rate the innovation idea for reducing patient wait time below: (5/19)

0 3 5

Increasing non operative management by non surgeons

Score: 3.6

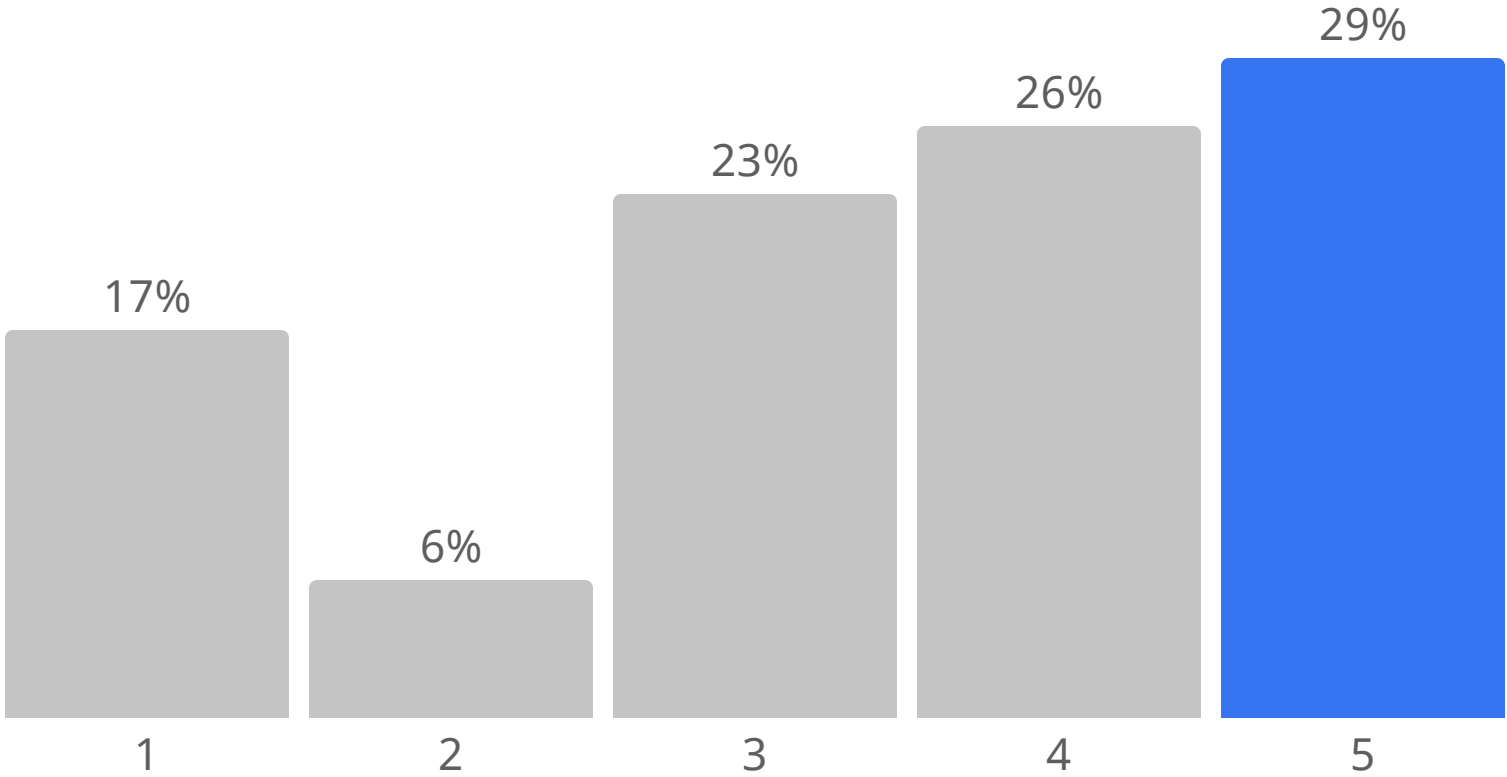

Rating poll

Please rate the innovation idea for reducing patient wait time below: (6/19)

0 3 5

Reward local bottom up innovation

Score: 3.4

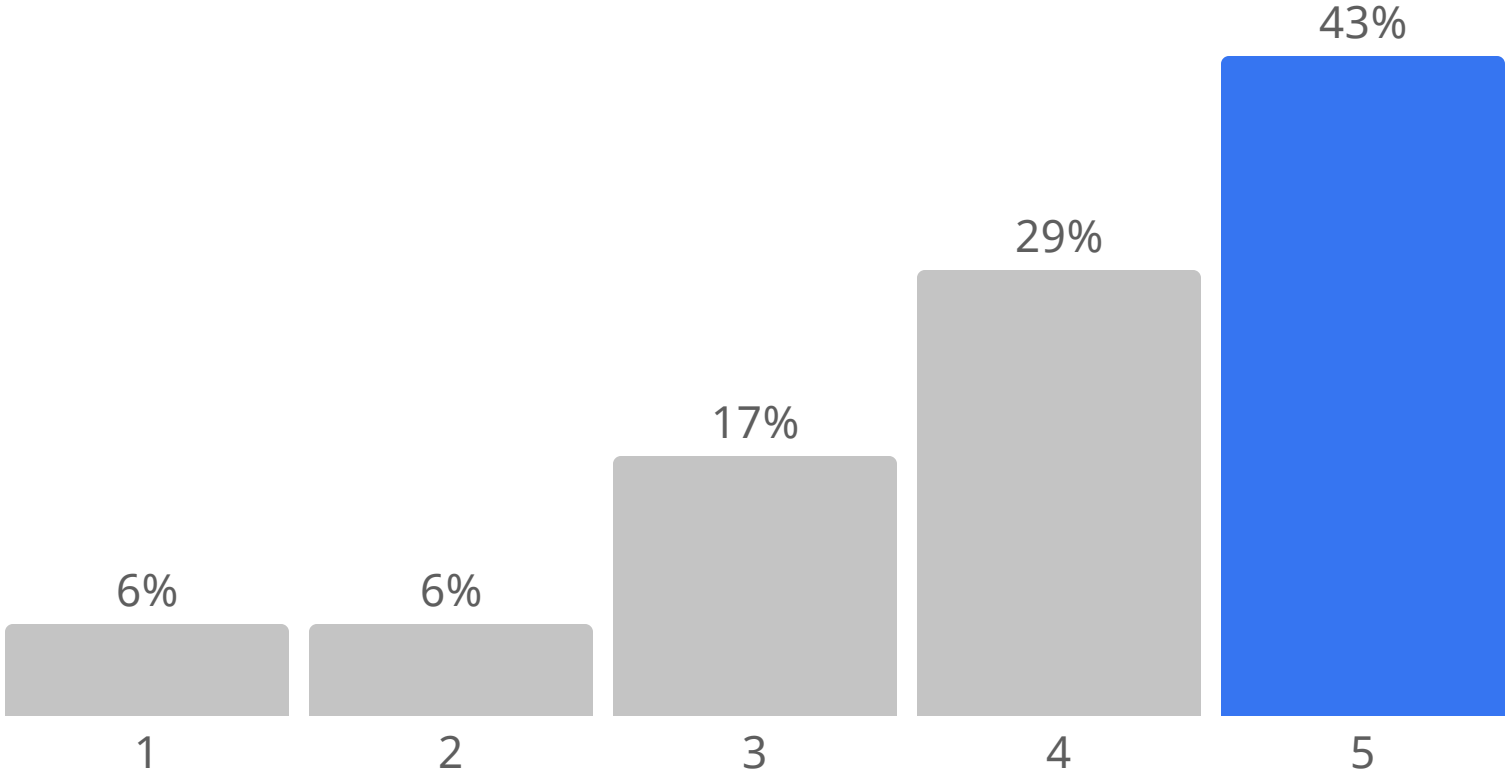

Please rate the innovation idea for reducing patient wait time below: (7/19)

0 3 5

Incentivise surgeons to share patients to smooth the waitlist

Score: 4.0

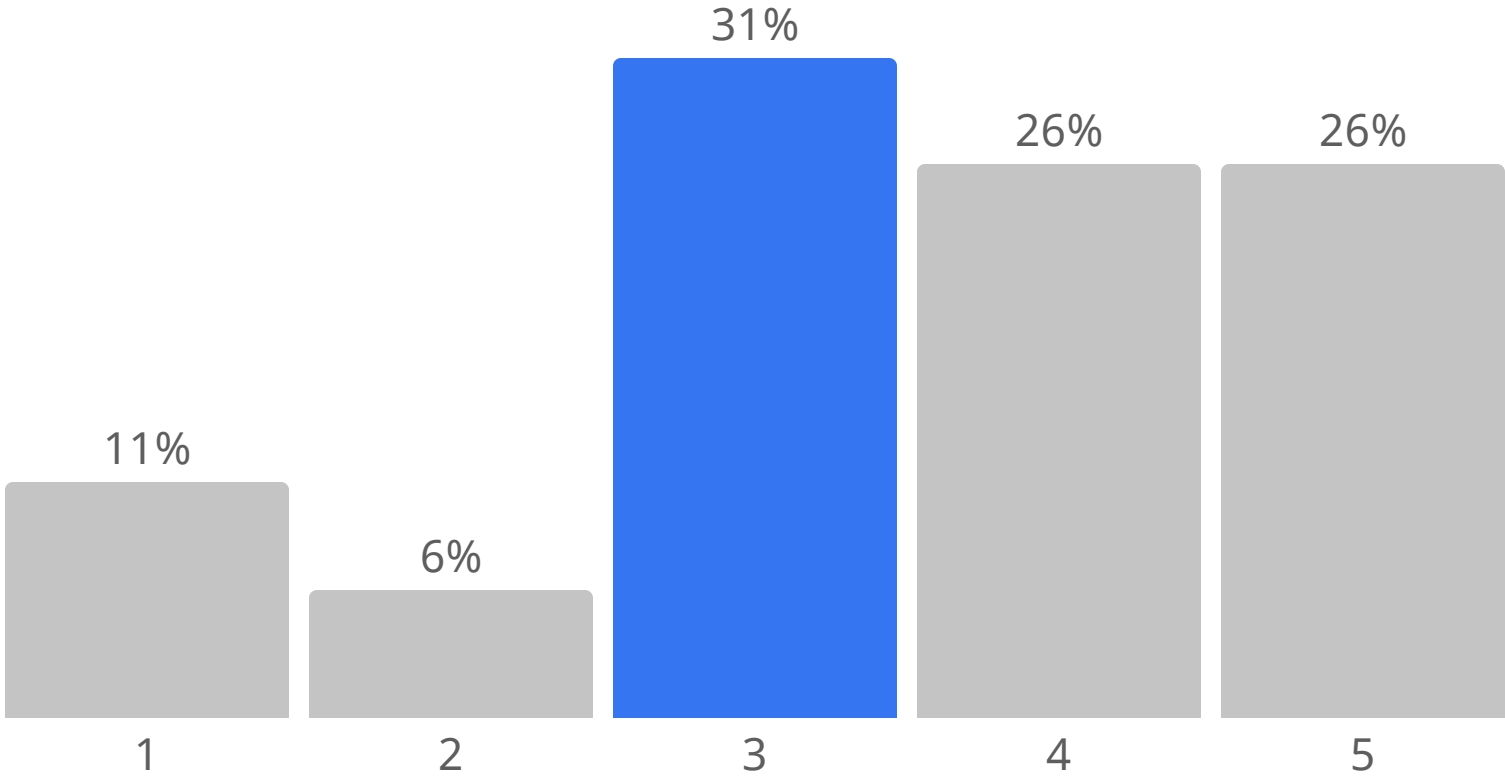

Please rate the innovation idea for reducing patient wait time below: (8/19)

0 3 5

Systems thinking

Score: 3.5

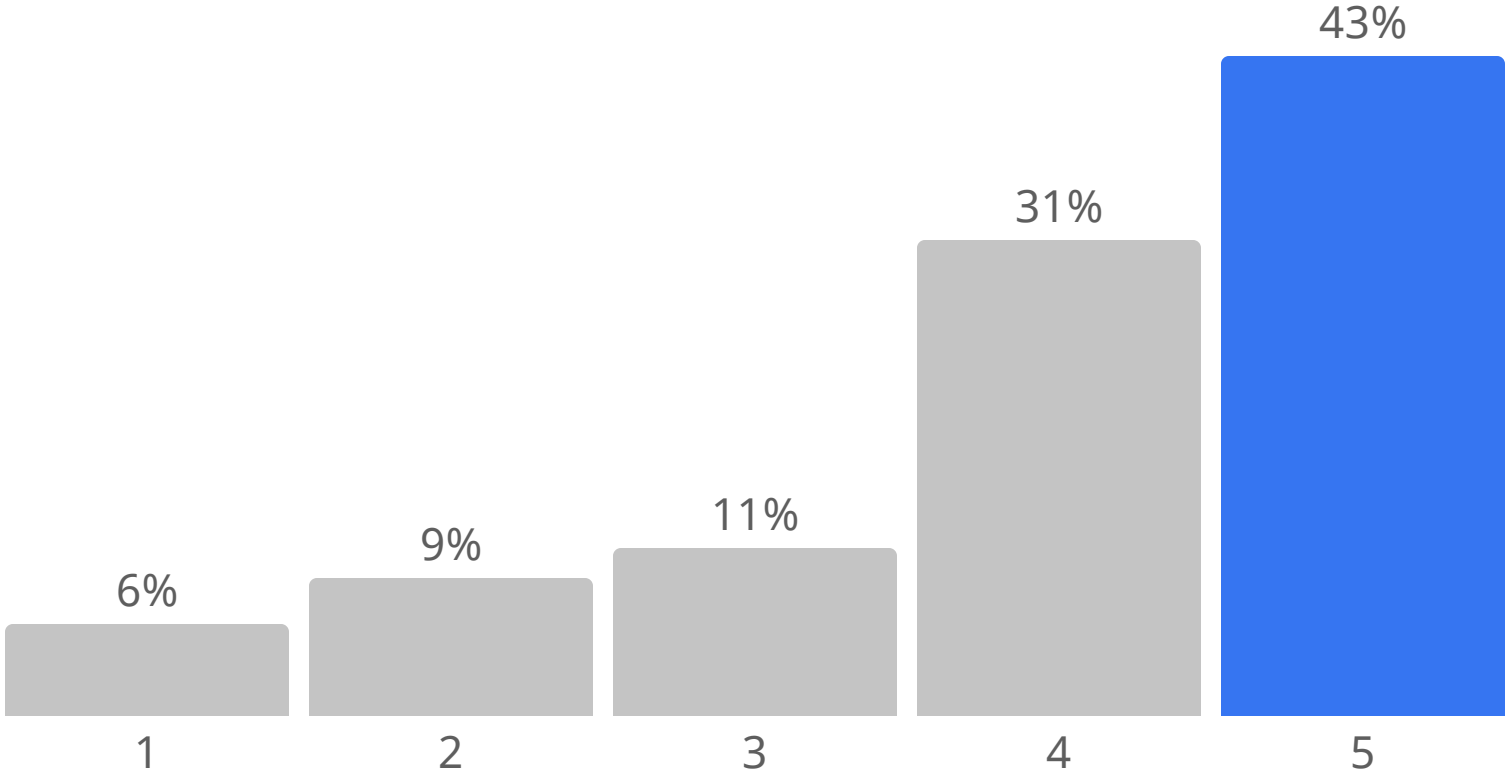

Please rate the innovation idea for reducing patient wait time below: (9/19)

0 3 5

Centres of excellence and optimizing ambulatory care

Score: 4.0

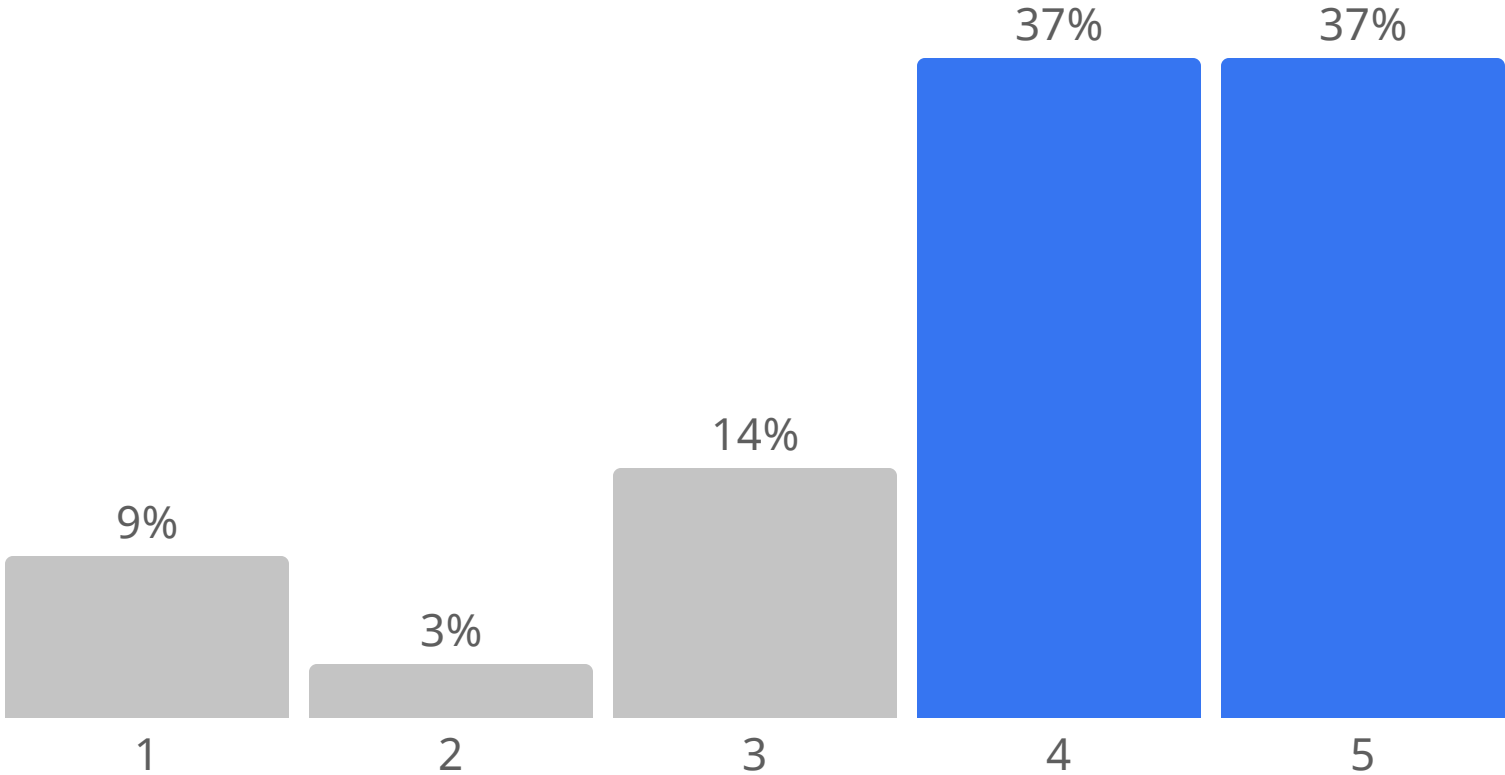

Please rate the innovation idea for reducing patient wait time below: (10/19)

0 3 5

Centralized booking process

Score: 3.9

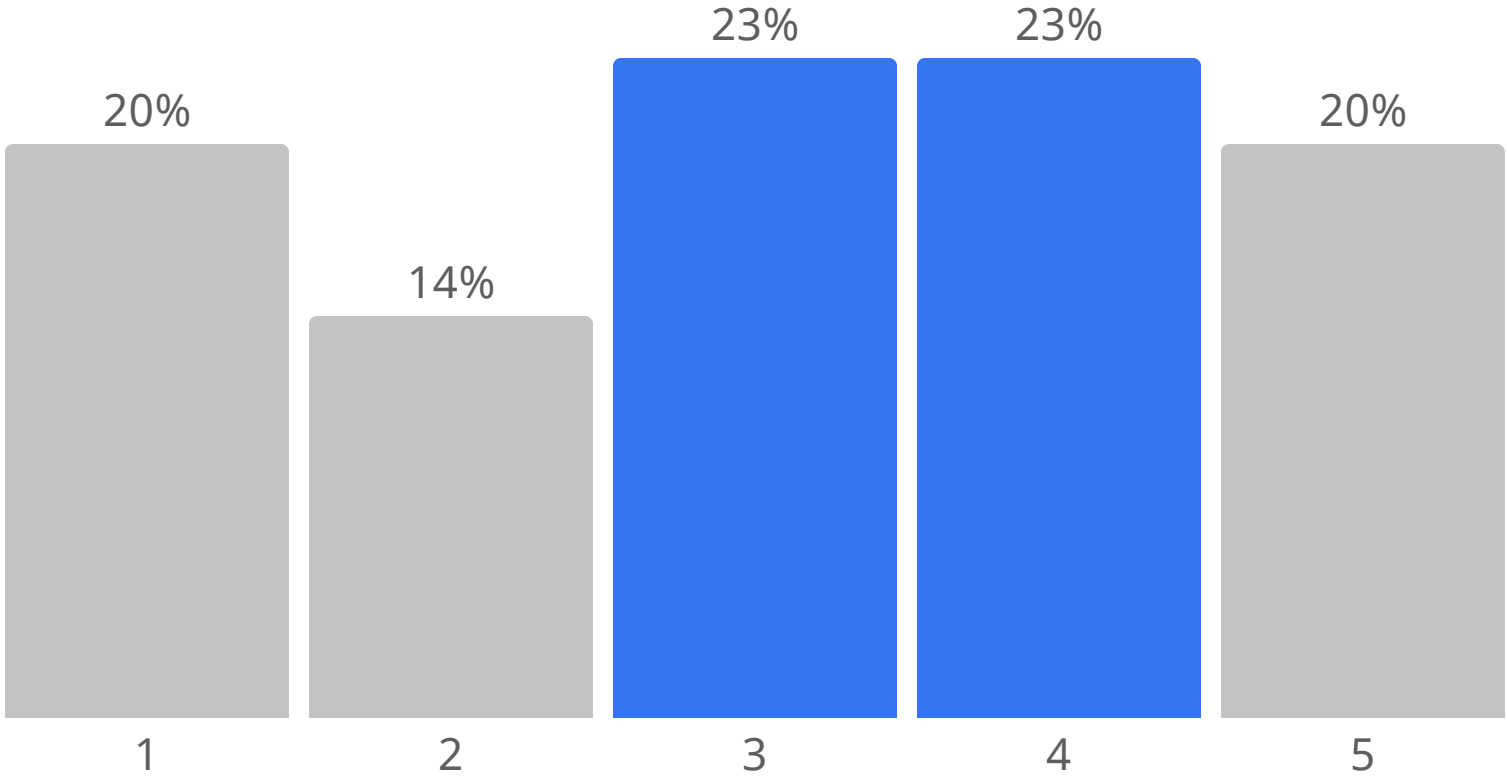

Rating poll

Please rate the innovation idea for reducing patient wait time below: (11/19)

0 3 5

Revisit bench marks with patient input

Score: 3.1

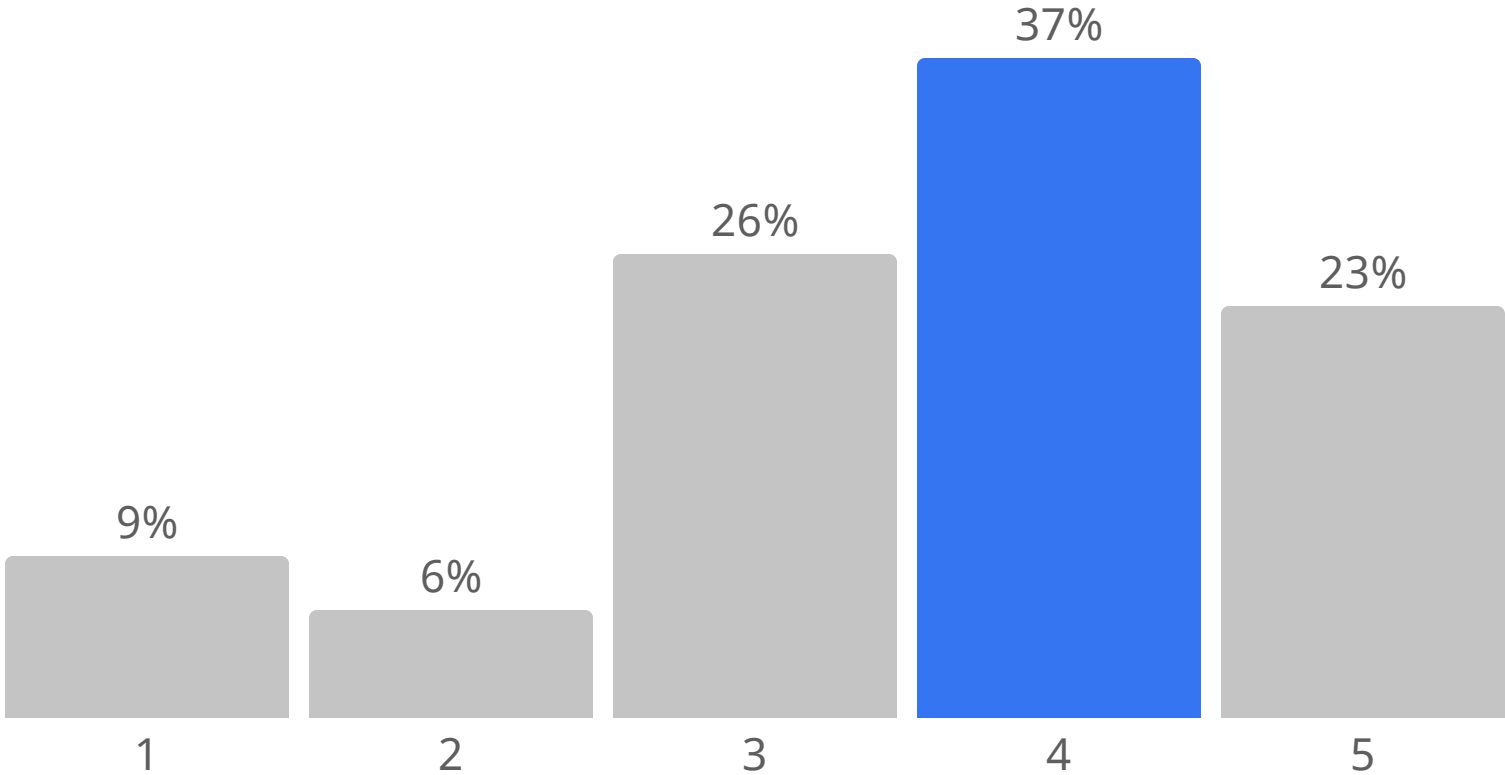

Please rate the innovation idea for reducing patient wait time below: (12/19)

0 3 5

Interdisciplinary collaboration

Score: 3.6

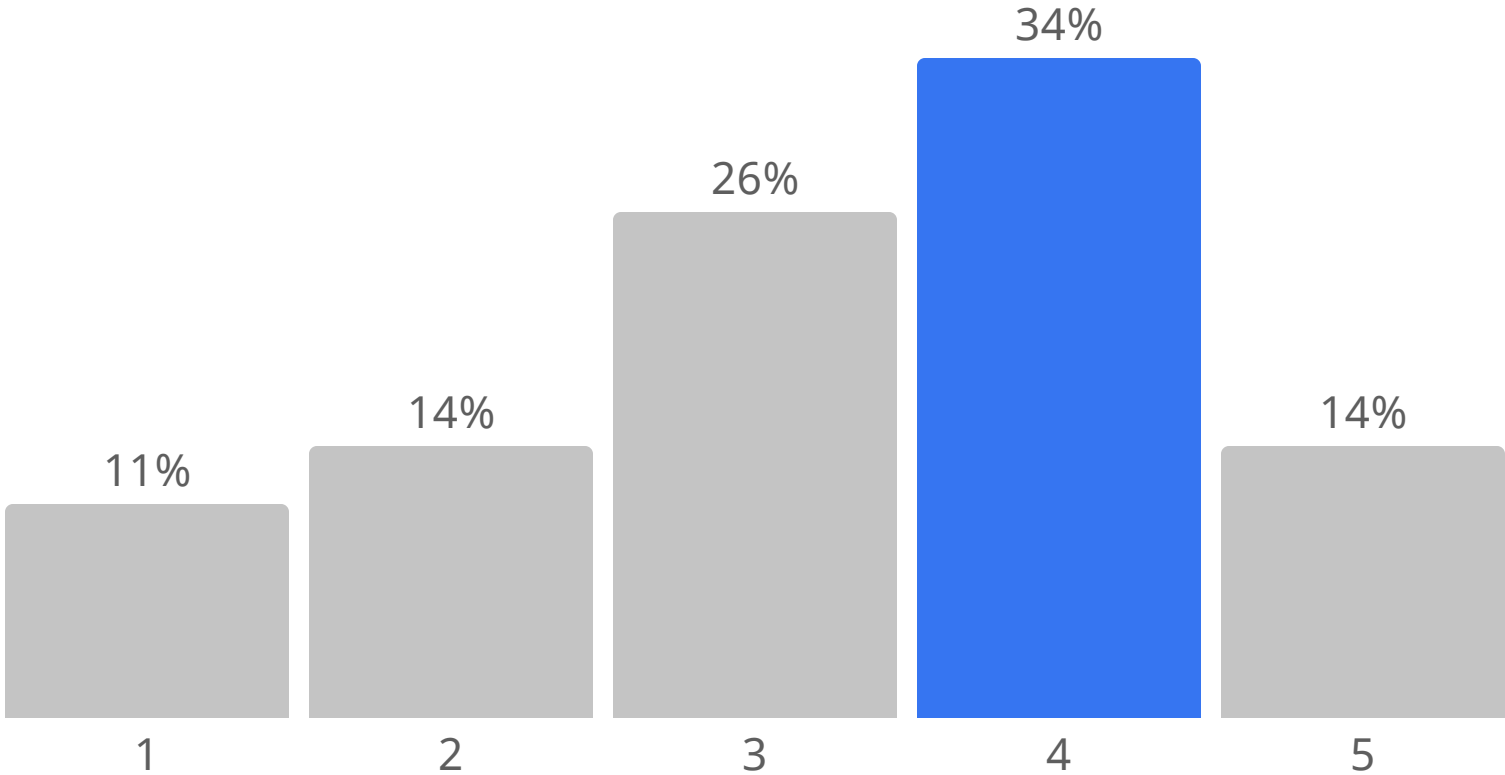

Please rate the innovation idea for reducing patient wait time below: (13/19)

0 3 5

Outsourcing an alternate delivery care model

Score: 3.3

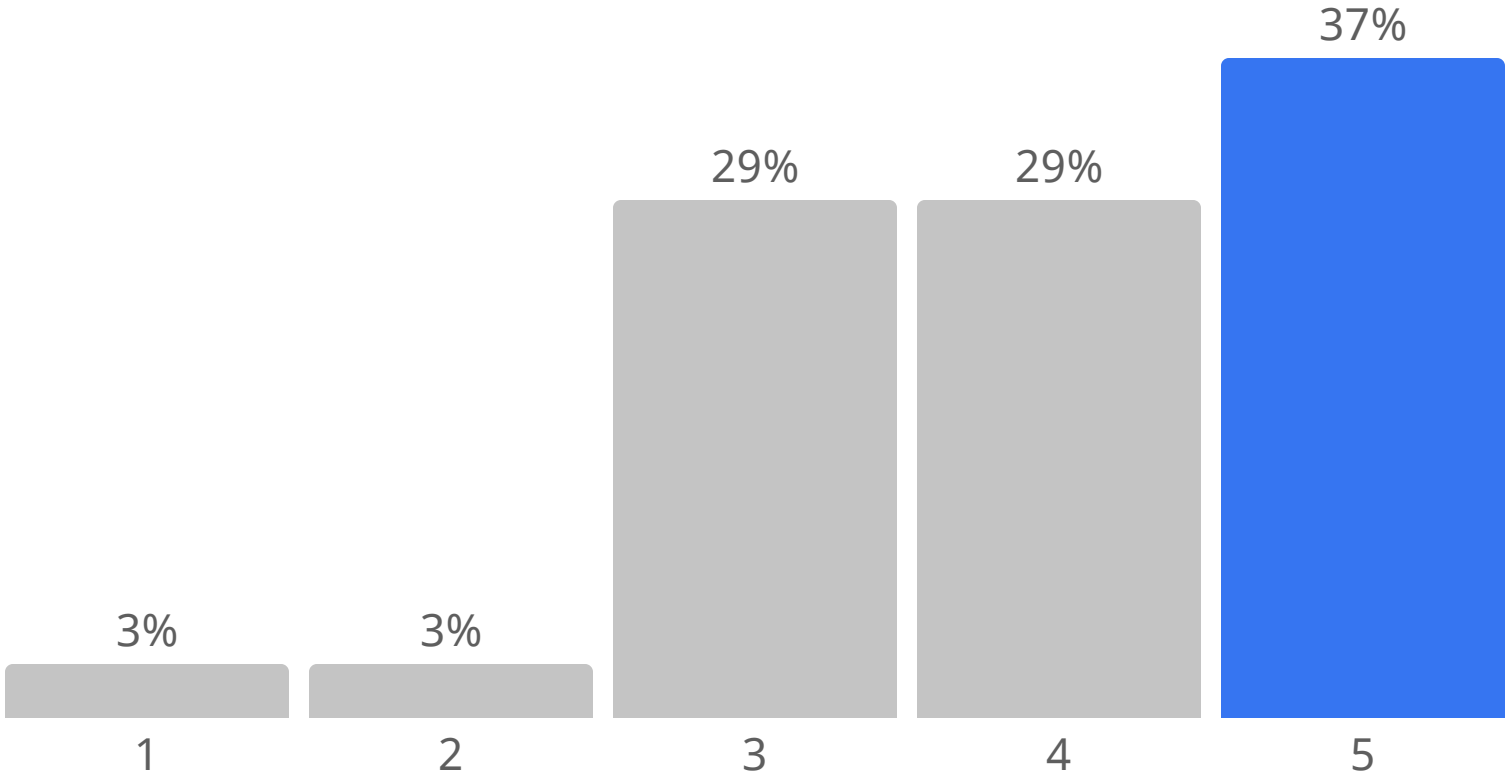

Rating poll

Please rate the innovation idea for reducing patient wait time below: (14/19)

0 3 5

Create localized access to prehab treatment

Score: 3.9

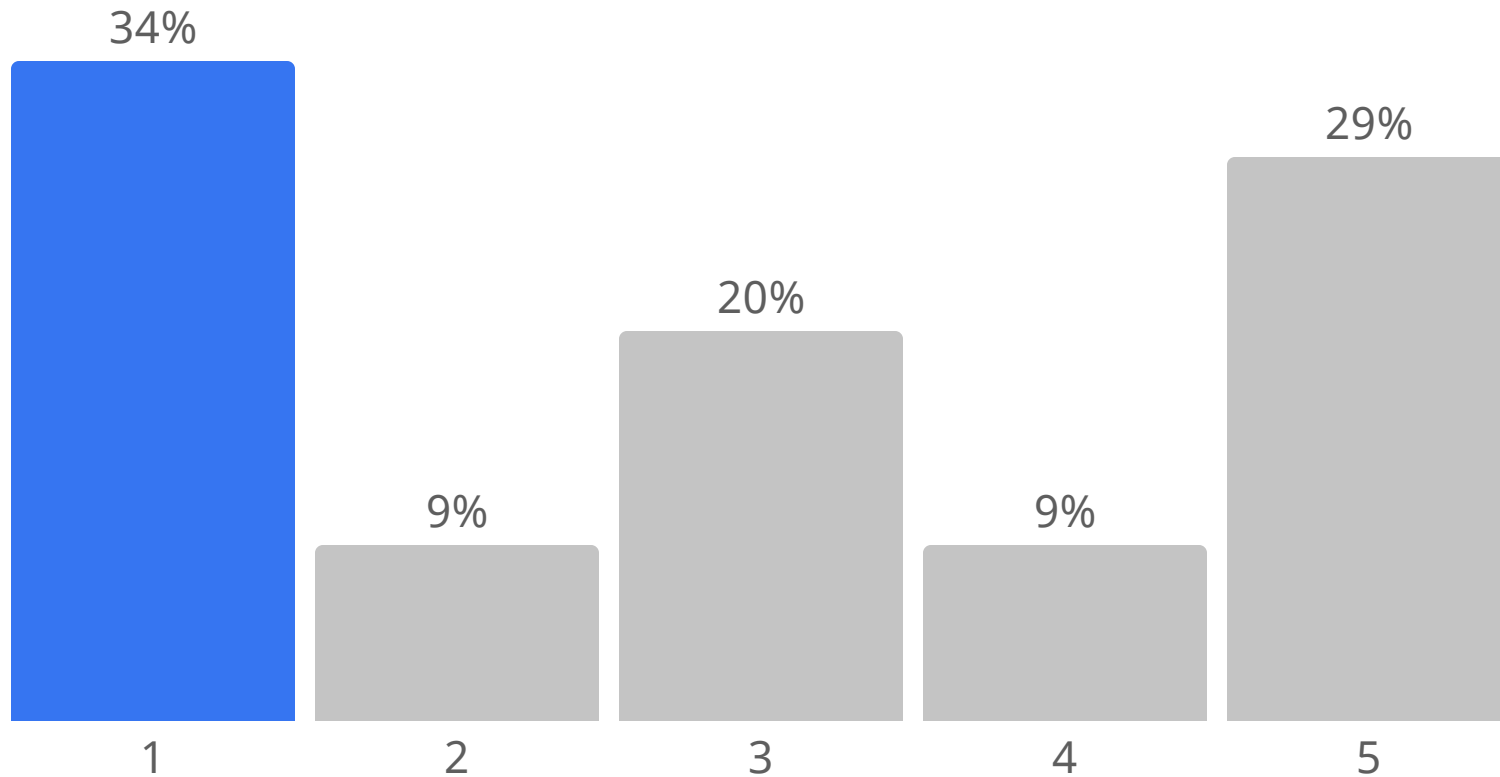

Rating poll

Please rate the innovation idea for reducing patient wait time below: (15/19)

0 3 5

Nuclear redesign option

Score: 2.9

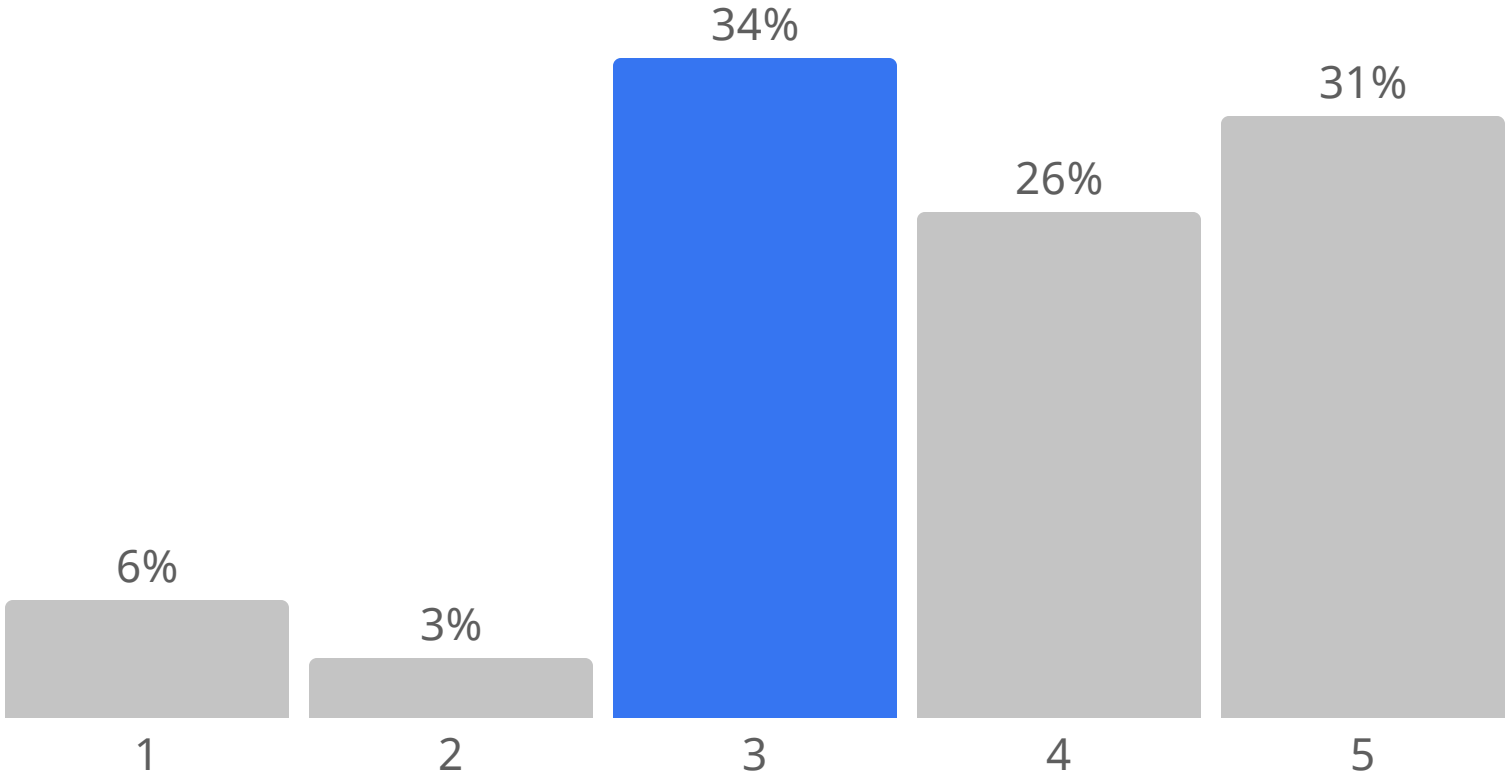

Please rate the innovation idea for reducing patient wait time below: (16/19)

0 3 5

Beef up ambulatory care

Score: 3.7

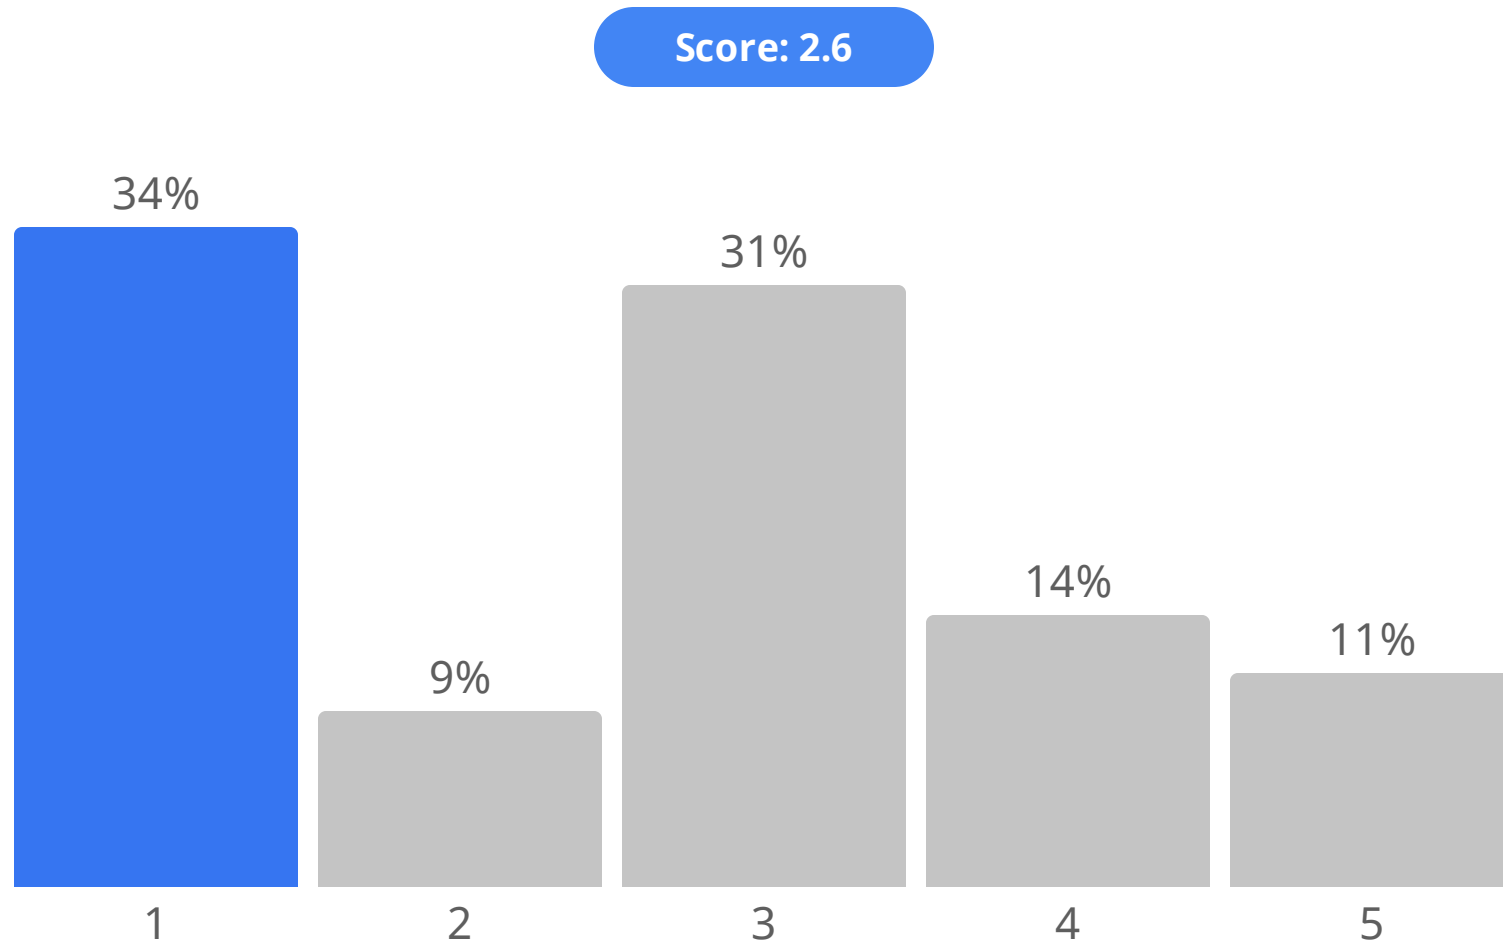

Rating poll

Please rate the innovation idea for reducing patient wait time below: (17/19)

0 3 5

Alternate options to ECT?

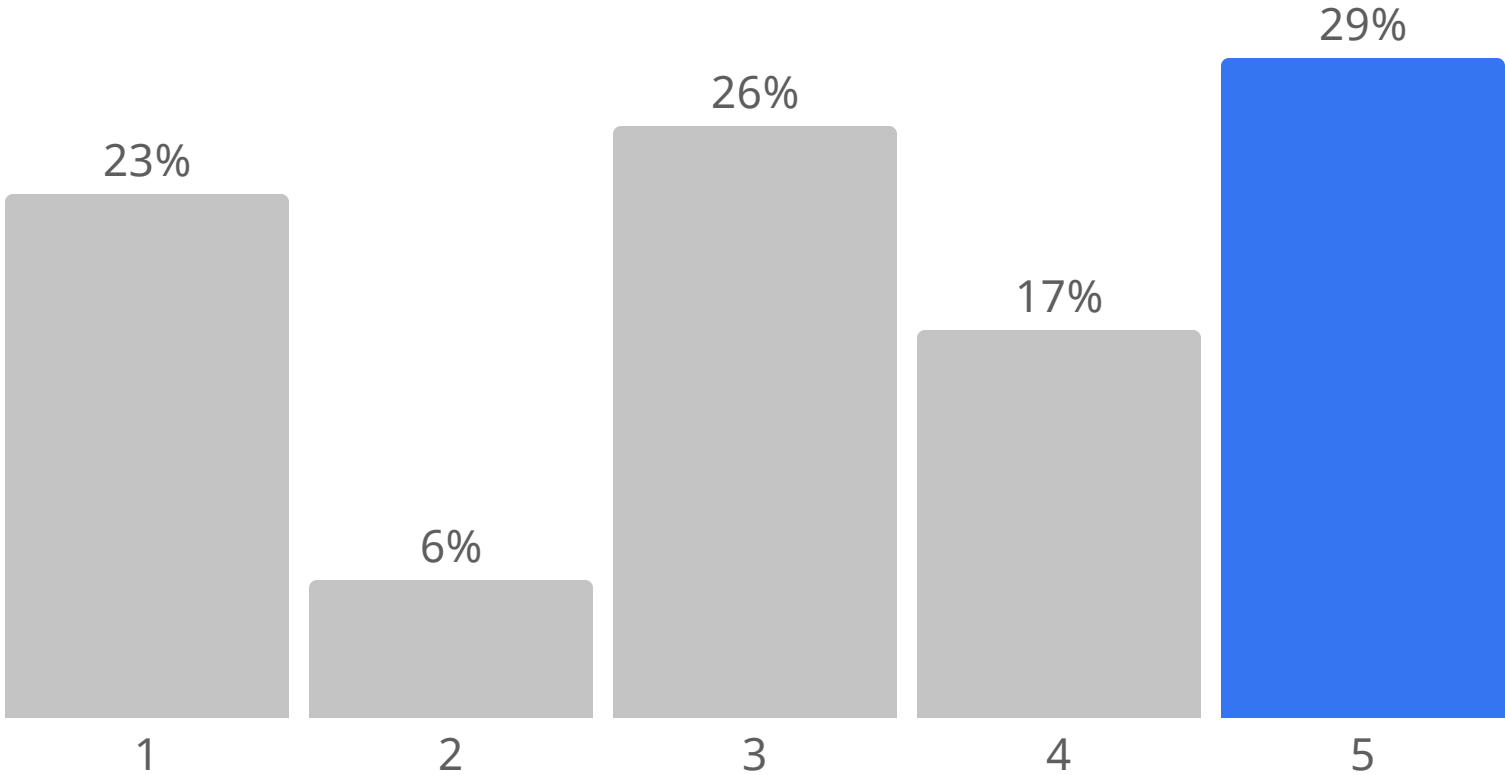

Rating poll

Please rate the innovation idea for reducing patient wait time below: (18/19)

0 3 5

Nurse first assist

Score: 3.2

Rating poll

Please rate the innovation idea for reducing patient wait time below: (19/19)

0 3 5

Mandate evidence based non operative care
