

Learning Session Two Evaluation Summary – January 27, 2020

COMMENT THEMES

WHAT WAS MOST HELPFUL FOR YOU TODAY?

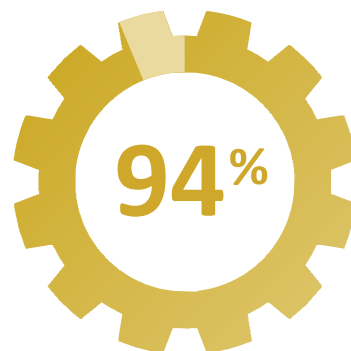

- 1 Key note speaker “inspirational” “motivational”
- 2 Patient story
- 3 Learning from other teams

WHAT TOPICS WOULD YOU RECOMMEND FOR THE NEXT LEARNING SESSION?

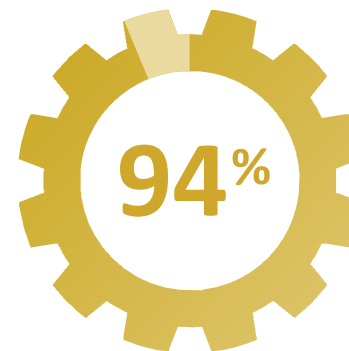

- 1 Sustainability
- 2 How to activate/motivate patients
- 3 Component specific sessions
- 4 Exploring tools created

I AM MOTIVATED TO ...

- 1 “Making sure patients are more engaged”
- 2 “Make a change without waiting for approval”
- 3 “Take more chances, celebrate the work, be more dynamic & think outside the box”
- 4 “Work to increase the numbers of optimized patients”

Overall, the information was delivered clearly

My understanding of surgical optimization increased today

I predict patients from our site will have a better experience as a result of this work
